INTRODUCTION

By Aesop & Edward Gibbon

Aesop’s Fable of The Man and the Lion

A man and a Lion traveled together through the forest. They began to boast of their respective superiority to each other in strength and prowess.

As they were disputing, they passed a statue carved in stone, which depicted a Lion strangled by a Man.

The man pointed to it and said: "See there! How strong we are, and how we prevail over the king of beasts."

The Lion replied: "This statue was made by one of you men. If we Lions erected statues, you would see the Man placed under the paw of the Lion."

The Lesson: One story is good, till another is told.

"History is indeed little more than the register of the crimes, follies and misfortunes of mankind."

Edward Gibbon, English historian (1737-1794)

From: "The Decline and Fall of the Roman Empire"
CHAPTER 1

1848-1913

PLANTING THE SEEDS OF EUROPE’S FUTURE ‘WORLD WARS’
1848 / ’SPRING TIME OF THE PEOPLES’ / PRE-PLANNED REVOLUTIONS AFFECT 50 COUNTRIES!

Pre-planned uprisings begin in Sicily in January of 1848. Soon after, revolts “spontaneously” break out in 50 states throughout Europe and South America. The rebel Reds and other groups demand “democracy” (mob rule manipulated by the Banking Dynasties).

Though there are legitimate grievances in any nation, and many of the 1848 reformers are sincere, the higher purpose of the revolts is not to improve the lives of the people. The true goal is to subvert the authority of existing governments and install "democratic" governments that can be controlled by agents working for The New World Order – (NWO is a plan among banking, media, and academic elites, which envisions the future establishment of a totalitarian Global Government. The NWO is to be erected upon the ruins of the “Old World Order” - a world based on independent nations.

The controlled revolutions wreak havoc, causing thousands of deaths and leading to political changes in some states. Within a year, the revolutions will have been put down, but the political structure of Europe has now been weakened by the slow poison of "liberalism". Czarist Russia, Rothschild’s hated enemy, is unaffected from the Red tumult of 1848, but not for long.

FEBRUARY 1848 / KARL MARX PUBLISHES ‘THE COMMUNIST MANIFESTO’

As well-funded revolutionary movements spread across Europe, German-Jewish “philosopher” Karl Marx sets forth the goals of the Communists. Behind it’s empty promise of a “workers’ paradise” and “social justice”, the Communist Manifesto is just an intellectual mask for Rothschild’s global plan to enslave humanity under a New World Order. Marx’s grandparents were actually related to the Rothschild Family through marriage.

The Communists call for heavy income taxes, a Central Bank with monopoly on credit, abolition of private land ownership and inheritance, state control over communication, education, manufacturing, agriculture, and medicine. Marx refers to this totalitarian scheme as ‘dictatorship of the proletariat (downtrodden masses).

Marx’s cult followers promote violence, class envy, and hostility towards free markets, family, business, tradition, and Christianity. In addition to the angry misfits and maladjusted criminals who worship Marx, there are many well-meaning idealists who fall for his poisonous promises of a better world with prosperity for all. These “useful idiots” are known, to this day, as “liberals”, and they will help the Reds greatly.
1865 / JEWISH MEDIA MOGUL ESTABLISHES THE REUTERS NEWS AGENCY

The Reuters Telegram Company is the world's first major news organization. Established by Paul Reuter (born Israel Bere Josafat), Reuter's builds a reputation in Europe for being the first to report news scoops from abroad, such as Abraham Lincoln's assassination. Almost every major news outlet in the world today subscribes to Reuters' services, which operates in over 200 cities in 94 countries in about 20 languages.

The creation of the Reuters media empire marks the point in history when Jewish moguls begin to dominate, the media of Europe and the US.

Though the Reuters family founders and heirs have since passed away, the public company today continues to put out pro-Globalist and pro-Zionist propaganda and disinformation.

1870-71 / FRANCE STARTS – AND LOSES – A WAR WITH THE GERMAN STATE OF PRUSSIA

The Franco-Prussian War is a conflict between the French Empire of Napoleon III (a nephew of Napoleon Bonaparte), and the Germanic Kingdom of Prussia. Prussia is aided by a confederation of many smaller German states. The swift Prussian/German victory thwarts French ambitions in central Europe, and brings about the end of Napoleon III's rule.

After the war, the Rothschilds of France step in with a massive bail out of the nearly bankrupt French government. The new government (The 3rd Republic) is again a “democracy”, bought and paid for by the Rothschilds, and under their influence more so than it already was.
The Prussian/German victory over France brings about the unification of the German states under Kaiser (King) Wilhelm I of Prussia. The establishment of the German Empire ends the "balance of power" that had been created with the Congress of Vienna in 1815. Germany is now the main economic power of continental Europe with one of the most powerful and professional armies in the world.

Meanwhile, back in England, the Rothschilds plot to check and control the new German nation. Although Jewish bankers will thrive in Germany, Germany (like Czar Alexander's Russia), has the capacity to shape its own destiny and thwart the ambitions of the "City of London". Not only is German politics outside of Rothschild's total control, but the fact that several German Royals are intermarried with British nobility complicates "the City's" ability to menace Germany with British power.

It will be 48 years before the new German nation can be brought under the thumb of The New World Order. But the long-range plan goes into effect immediately. Rothschild Zionist agent and future (as well as (as well as ex) "British" Prime Minister Benjamin Disraeli plots against both Germany and Russia.

Otto Von Bismarck is the Chancellor of the new German Reich under Kaiser Wilhelm I. Through his skilled and energetic diplomacy, he will keep Germany out of war, and the rest of Europe at peace.

Soon after united Germany is established, Bismarck's government becomes the first European nation to grant citizenship rights to its Jewish population. Even Rothschild's England has yet to do this. The UK's Jewish Prime Minister (Disraeli) holds office because he had "converted" to Christianity. Jews begin to thrive in the new Germany.

By the end of the 1800's, this remarkable people will have obtained a great degree of influence over Germany's commerce, universities, press, politics, arts, and Central Banking.
1874 / REDS ATTEMPT TO KILL CHANCELLOR BISMARCK

A Jewish Red named Frederick Cohen had previously shot Bismarck when he was Prime Minister of Prussia in 1866. Now, in 1874, terrorist Eduard Kullman attempts to assassinate German Chancellor Bismarck. Kullman's gunshot from close range strikes Bismarck's hand.

Kaiser Wilhelm I and Chancellor Von Bismarck are the peacemakers of Europe, but the New World Order crime gang would like these leaders dead so that mighty Germany can be subdued under their thumb.

OCTOBER 1873 / GERMANY, AUSTRIA-HUNGARY, & RUSSIA
FORM ‘THE LEAGUE OF THE 3 EMPERORS

German Chancellor Otto von Bismarck negotiates an agreement between the monarchs of Austria-Hungary (Emperor Franz Joseph), Russia (Czar Alexander II), and Germany (Kaiser Wilhelm I). The alliance, known as The League of the Three Emperors, has three purposes:

1. The League serves as a mutual defense against the growing Red movements, which have menaced Europe with violence since 1848.

2. The League will avoid war among themselves when diplomacy can resolve differences.

3. The League opposes the expansion of French and British power, as well as plots to threaten the internal order of their countries.

The military and financial power of these three Empires forms a Central-Southern-Eastern European power base that the Rothschilds and their British & French “hit men” cannot control.

There can be no New World Order until this might defensive coalition of Empires is somehow broken up and individually smashed.
There are two main causes of the Russo-Turkish War. First, Russia desires to reclaim vital Black Sea territory lost in Rothschild’s Crimean War 20 years earlier. The other objective is to liberate the Orthodox Christian Slavic populations of the Balkan states, currently under Muslim Turkish rule. Russia’s Orthodox Christian and Slavic allies, Serbia, Montenegro, Romania, and Bulgaria, all rebel against Turkey and fight with Russia. Turkish mistreatment of Bulgarian Christians further upsets the Russians.

Russia dominates the fighting, and begins advancing towards Turkey’s Capital (Constantinople). Dismayed that Russia may capture Palestine from the beaten Turkish Empire, Britain’s Zionist Prime Minister Benjamin Disraeli pressures Russia to accept a truce offered by Turkey. Britain sends ships to the area to intimidate Russia and force a peace conference in Berlin, Germany.

Just days before the important international conference is due to take place in Berlin, two assassination attempts are made against German Emperor, Kaiser Wilhelm I. On May 11, ’78, a Red named Emil Max Hodel fires shots at the Emperor and his daughter as they travel in their carriage. Hodel is captured and then executed in August.

Three weeks later, another Red named Karl Nobiling fires a gun at the Emperor. The 82 year old Kaiser is wounded, but he survives. Nobiling then shoots himself, and dies 3 months later. The New World Order’s secret war against The Three Emperors League, and all of Europe’s Christian Monarchs, is really starting to heat up.
Rothschild-owned British Prime Minister Benjamin Disraeli dominates the Berlin conference which was called into session to settle the Russo-Turkish war. Britain, Germany, Austria-Hungary, Russia, France, Italy, and Turkey attend the Congress of Berlin. The Ottoman Turks still control the "The Holy Land", but Britain (and its Rothschild masters) wishes to ultimately take over Palestine. Russia is committed to the protection of Orthodox Christians throughout southern Europe and the Ottoman Empire.

Before the Congress opens, Disraeli concludes a secret deal with Turkey against Russia, whereby Britain is allowed to occupy the strategic island of Cyprus. This gives Disraeli an advantage, leading him to issue threats of war if Russia doesn't comply with the demands of the Turks (who had lost the war!)

Another dirty pre-conference deal is struck between Disraeli and Russia's ally, Austria-Hungary. Orthodox Christians, including the Serbs of Bosnia, are to be put under Austria-Hungary's rule. Russia and its Slavic allies had won the war against Turkey, but many of the Slavs are to be transferred from Turkish rule to Austro-Hungarian rule!

This breeds resentment among the Slavic subjects of Austria-Hungary, especially the Serbs of Bosnia who are forbidden from uniting with the newly independent nation of Serbia. Court Intriguers on all sides have put a permanent wedge between Russia and Austria-Hungary.

German Chancellor Bismarck tries to keep the Disraeli engineered controversies from breaking up the Three Emperors League, but the humiliation of Russia at the hands of Britain, Turkey, and Austria-Hungary is too much for it to bear. Russia pulls out of the League. Instead of being allied with Germany (who Disraeli also wants to isolate), Russia is now cut off from her, and placed in a position where it can be played off against Germany's ally, Austria-Hungary - a classic divide & conquer scheme.

The foundation of the Great War of 1914-1918 (World War I) was laid at the Congress of Berlin, thanks to the dirty work of the Globalist-Zionist Benjamin Disraeli. Upon returning to England, the evil Disraeli boasts of how he killed the Emperor's League.
1882 / THE ANGLO - EGYPTIAN WAR / ROTHSCILD’S BRITAIN ADVANCES TOWARDS PALESTINE!

The Zionists dream of one day capturing the Holy Land (currently under Ottoman Turkish control). Recall how years earlier, with Ottoman Turkey on the brink of total defeat, Benjamin Disraeli intervened to keep the Russians away from Palestine. Now, the Zionists are positioning their "chess pieces" towards the next step.

When the British-French Suez Canal opens in 1869, it is Benjamin Disraeli's Britain; with Rothschild financing that purchases enough shares to make Britain the main shareholder of the waterway linking the Mediterranean to the Red Sea.

By 1882, the Canal's host nation, Egypt, is being treated like a colonial subject of Britain. Always waging war under false pretenses, Rothschild's UK attack-dog picks a fight with Egypt, under the pretext of "protecting the Suez Canal." During the Anglo-Egyptian War, the British bomb Alexandria and invade Cairo. Rothschild's Britain becomes master of Egypt. During World War I, Egypt (which borders Palestine) will be a useful staging post to launch attacks on Turkey. Palestine (Israel) is now within the Zionist Rothschild Family’s reach!

JUNE 1887 / 'THE REINSURANCE TREATY' / GERMANY AND RUSSIA FORM A SECRET ALLIANCE

Although the British-Rothschild agent Disraeli had destroyed The Three Emperors League (Russia/Germany/Austria-Hungary), German Chancellor Bismarck continues to work for peace. To "reinsure" the peace of Eastern Europe, and to prevent British or French intrigue from starting more wars, Bismarck’s Germany and Romanov Russia agree to a secret treaty known as "The Reinsurance Treaty".

Under the terms of the agreement, Germany and Russia agree to remain neutral should either become involved in war with a third nation. However, neutrality would not apply if Russia attacks Germany’s ally, Austria-Hungary.

The two giants remain vulnerable to the Balkan controversy in Austria-Hungary (Russia is the protector of the minority Slavic/Orthodox community under Austrian rule, and also of small Slavic states like Serbia) Nonetheless, the Reinsurance Treaty is a very good sign that Russia and Germany will be able to work out any future differences diplomatically.
Kaiser Wilhelm I passes away in March of 1888 at the age of 91. He is succeeded by his son Frederick I, who dies of throat cancer after a reign of just 3 months. Frederick's 29 year old son Wilhelm II then becomes Kaiser in June of 1888.

Like many young, "educated" Europeans, Wilhelm II has been partially infected with the poison of "liberalism". Whereas 'Iron Chancellor" Bismarck wants to smash the Reds, young Wilhelm is hesitant to crush the Communist agitators. Wilhelm believes that if Germany becomes more "democratic", it will pacify the Red agitators. Wilhelm II also wants better relations with the UK, the enemy of Russia. To that end, Wilhelm, *(possibly under the influence of NWO court intrigues)* turns his back on Russia, refusing repeated Russian requests to renew Bismarck’s Reinsurance Treaty.

These irreconcilable differences lead Wilhelm to dismiss the legendary Bismarck in 1890. As the grandson of Britain's Queen Victoria, Wilhelm naively believes that he can trust and befriend Britain *(which belongs to the Rothschilds, not Victoria)*. He also believes that he can solve any potential future problems with Russia simply by direct negotiation.

But Russia now feels isolated from Germany, and mistrusts Germany's ally, Austria-Hungary. This leaves Russia very vulnerable to French and British intrigue. *History will prove that wise old Bismarck was right, and naive young Wilhelm was wrong.*

Feeling isolated from Germany and suspicious of Austria-Hungary, Russia falls into a clever trap set by France and NWO agents. The **Franco-Russian Alliance** creates an entangling military alliance between the two nations. The Russian giant can now be used to create a deadly 2nd front in any future war with Germany. **This is what German Chancellor (political leader) Bismarck had worked so hard and so long, to avoid!**

The great Russian novelist Leo Tolstoy *(War and Peace)* would later condemn the Franco-Russian Alliance as a French trick to entangle Russia in a future war against France's enemies (Germany). Tolstoy sarcastically described the suddenly friendly French as "**people who, without reason, suddenly professed such spontaneous and exceptional love for Russia**."
1896/GLOBALIST - ZIONIST PURCHASES THE NEW YORK TIMES

Since its founding in 1851 by Republican Henry Jarvis Raymond, *The NY Times* has been a big player in shaping public opinion. In 1896, the *Times* takes a turn to the internationalist left when it is purchased by a German-Jew named **Adolph Ochs**. In 1897, Ochs himself coins the paper's self-serving slogan: "*All the News That's Fit to Print*"

Ochs' daughter marries **Arthur Hays Sulzberger**, who becomes publisher when Adolph dies. Ochs' great grandson **Arthur Ochs Sulzberger, Jr.** is the publisher of the NY Times today. For 117 years, America's most influential rag has been in the hands of the same Zionist-Marxist family. Count on The Times to promote big government, Globalism, environmental hoaxes, Israel, the Fed, and endless wars!

AUGUST 1897/THE 1ST ZIONIST CONGRESS MEETS IN BASEL SWITZERLAND / THE PLOT TO STEAL PALESTINE IS HATCHED

**The First Zionist Congress** is held in Basel, Switzerland and is chaired by **Theodore Herzl**. Jewish delegates from across Europe agree that Palestine should be given to them. The idea of a Jewish takeover of Palestine had been floating around for decades. Whenever Russia advanced its interests in the area, Rothschild's Britain would keep Russia out.

The problem is, Palestine is 90-95% Arab, and falls under the sovereignty of the Ottoman Turks. Unless the Turks agree to give Palestine to the Jews, the Zionist dream cannot be realized.

In 1901, the Zionists will offer to arrange a reduction of Turkey's foreign debt (*owed to Zionist bankers*) in exchange for Palestine. The Sultan of Turkey bluntly refuses. Giving away the Holy Land to the Zionists would be a betrayal of Turkey's, and Palestine's, Muslim population.

Herzl refuses to give up. The British offer to give the Jews the African colony of Uganda. The Zionists refuse, insisting upon Palestine. Prior to his death in 1904, Herzl predicts that a world body will one day give Palestine to the Jews, and that he will go down in history as father of the Jewish State. For Herzl's dream to come true, a European military power will have to be manipulated into taking Palestine away from the Ottomans by force.
DECEMBER 8, 1897/ THE DYING BISMARCK’S CHILLING final WARNING AND PREDICTION

Former German Chancellor Bismarck is now 83 years old and in poor health. Kaiser Wilhelm II visits Bismarck for the last time in December of 1897. Again, the wise old man warns the Kaiser to beware of the intrigues of courtiers around him, and of a European disaster that may yet still come.

Bismarck warns Wilhelm not to trust court advisors: “Your Majesty, so long as you have this present officer corps, you can do as you please. But when this is no longer the case, it will be very different for you.”

Subsequently, Bismarck makes these accurate predictions: “... the crash will come twenty years after my departure if things go on like this.” ..... “One day, the great European War will come out of some damned foolish thing in the Balkans.”

This prophecy will be fulfilled almost to the year! Bismarck knew that a Balkan crisis could result in a 2-front war and an internal Red uprising.

APRIL, 1904 / THE ‘ENTENTE CORDIAL’ / UK & FRANCE FORM AN ALLIANCE / GERMANY IS SUSPICIOUS

The Entente Cordiale is a series of agreements signed between France and Great Britain. The agreements settle issues regarding colonial expansion and mark the end of a centuries old era of on and off conflict between France and Britain.

Germany views the new alliance with great suspicion, especially because France had already allied itself with Russia in 1892. The "chess pieces" of Europe are clearly being set in preparation of the Big Game to come.

The Anglo-French alliance will one day entangle the U.S. These nations will serve as the military "hit men" of the New World Order.

German cartoon: John Bull (UK) walks by with his French whore as an armed Germany looks on with suspicion.

Zionist UK & France join forces.
The attempted **Russian Revolution of 1905** is a wave of political uprisings, massive labor strikes, and terrorist acts against the government of Russia. The Reds (under orders from their Rothschild/Schiff masters) use the discontent surrounding the lost war with Japan to foment the revolution. From 1905 to 1909, Red terrorists will kill 7,300 people and wound about 8,000.

Though the Jewish-inspired Red Revolution is suppressed, **Czar Nicholas II** is forced to make "democratic" concessions which weaken his power, and set him up for a future attempt. Nicholas makes a critical mistake by showing mercy to Red leaders such as **Lenin** and **Trotsky**. Instead of executing the Marxist leaders, the Russians merely arrest or deport them.

Lenin finds his way to Switzerland, and Trotsky ends up in New York after escaping from prison. The exiled Communists will one day return, with more money from the Zionist bankers, to terrorize Christian Russia once again.

**FORBIDDEN HISTORY: QUOTE TO REMEMBER**

"The Jews have undoubtedly to a large extent furnished the brains and energy in the revolution throughout Russia."

---

Russian Professor **Sergei Nilus** publishes a full version of **The Protocols of the Learned Elders of Zion**, a controversial document discovered a few years earlier. The *Protocols* are said to be the minutes of a secret meeting of Jewish elites in which a master plan for world domination, to be completed over the next 100 years, is laid out in chilling detail.

The *Protocols* tell of Jewish control of world banking, world media, Communism, liberalism, and political parties of every type. The master plot includes plans to:

- Destroy the Catholic Church and all Christianity
- Promote atheism
- Wage class warfare / labor against management
- Overthrow Czarist Russia
- Corrupt the morals of the people
- Promote senseless "modern art" and dirty literature
Use anti-Semitism to keep "lesser Jews" cohesive
Manipulate women with ideas of "liberation"
Create economic depressions and inflations
Create "controlled opposition" to themselves
Use state debt as a weapon to enslave countries
Subvert and control all existing governments
Install tainted politicians that can be blackmailed
Manipulate college students with phony idealism
Assassinate world leaders
Spread deadly diseases
Use balance of power politics to control nations
Commit acts of terrorism
Promote sports and games to divert people
Start a World War which will include the USA
Set up world government after an economic crash

Some allege that the Protocols were forged by Russian security agents in order to convince the Czar Nicholas II of the New World Order's existence. Although the authenticity of the document remains in question, world events of the coming decades will match the Protocols so closely that the document becomes a worldwide sensation in the 1920's and '30's.

The Triple Entente (from French entente, "agreement") is a military alliance between the UK, France, and Russia, concluded after the signing of the British-Russian Entente in 1907. Of course, Rothschild's Britain is not allying with Russia out of any friendship. The goal is to draw Russia into fighting Germany & Austria-Hungary from the east. After Russia, Germany, and Austria-Hungary exhaust themselves, all three former allies can then be subverted from within by Communists and/or liberals, controlled by Rothschilds.

The Triple Entente is the counterweight to the 1882 Triple Alliance (or Central Powers) of Germany, Austria-Hungary, and Italy. Rothschild & Warburg agents are also at work within The Triple Alliance. Italy later switches sides and is replaced by the Ottoman Empire. The two alliances have been cleverly set up as mechanisms for the purpose of triggering the coming world war to rearrange Europe, and the world. One little incident in the Balkan region of southern Austria-Hungary is all that it will take to ignite the two alliance powder kegs, and drag the powers of Europe (and America) into a massive war to reshape the world. The New World Order and its agents will skillfully manipulate the patriotic passions of the various nations so as to bring about a disaster that will benefit Zionism, Communism, and Globalism!
After decades of strategic political preparation, the New World Order now has 7 major goals it wants to achieve in coming decade:

1. Establish a US Central Bank conceived at Jekyll Island
2. Impose an Income Tax on America so that State debt to the Central Bank can be collateralized with human labor
3. Trigger the long planned Triple Entente-Triple Alliance war to destroy Germany and reshape all of Europe
4. Entangle the U.S. in the coming war and World Organization
5. Finish off Russia and convert the Eurasian giant into a Red tyranny
6. Establish a World Political Body under the pretext of "world peace"
7. Carry out Herzl’s plan to steal Palestine from the Turks and Arabs.

Popular President William Howard Taft will never involve America in such treasonous schemes. So the Globalists recruit Woodrow Wilson, a Princeton professor who is rocketed to Governor of New Jersey, then to Democrat nominee for President. To steal Republican votes from Taft, ex-President Roosevelt runs as the Progressive Party candidate (aka Bull-Moose). The divide & conquer trick works. Due to TR’s meddling, Wilson wins with 41% of the vote.

The Rothschild orbit includes other Zionist bankers who emerge as giants in their own right. These moguls will dominate the 8-year Presidency of their pathetic puppet, Woody Wilson.

- **JACOB SCHIFF**: The Schiff Family shared a home with the Rothschilds in the 1700’s. Schiff helped Japan defeat Russia in 1905. He also funds the NAACP and the ADL.
- **BERNARD BARUCH**: Baruch first introduced Woodrow Wilson to the wealthy Jewish community of New York City. According to one account, “Baruch led Wilson around "as if he were a poodle on a string". During World War I, Baruch will head up Wilson’s War Industries Board, making him the most powerful figure in U.S. industry.
- **THE WARBURG BROTHERS**: "German Banker Paul Warburg will soon become the "Father of the U.S. Federal Reserve". His son James will set up the United World Federalists in 1947 to promote world government. Max Warburg is a very powerful banker in Germany. Felix Warburg, a 'philanthropist', uses his fortune to promote Globo-Zio causes. He is married to Jacob Schiff’s daughter.
CHAPTER 2

1914 - 1918

A SUMMARY OF WORLD WAR I & THE RUSSIAN REVOLUTION
JUNE 28, 1914 / A DOUBLE MURDER LIGHTS THE BALCAN FUSE!

To kick off their long awaited, pre-planned World War, the New World Order uses "Serbian Nationalists.". A secret society known as Young Bosnia, possibly working with The Young Turks, plots the murder of an Austrian Royal.

Serbia is an Orthodox Christian nation under the protection of Russia. Due to Disraeli's past schemes, many Serbs also live under Austro-Hungarian rule (in Bosnia) instead of under Serbian or Russian sovereignty. This situation has always caused friction, both within Austria-Hungary, and also between Russia and Austria-Hungary.

Archduke Franz Ferdinand is heir to the Habsburg Family throne of Austria-Hungary. While traveling through the Bosnian city of Sarajevo with his wife Sophie, a bomb is thrown at the Archduke’s open car. He deflects the bomb with his arm and it explodes behind him. The royal couple insists on seeing all those injured at the hospital. After traveling there, they decide to go to the palace, but their driver takes a wrong turn onto a side street, where another assassin named Gavrilo Princip spots them. He shoots Sophie in the stomach and Franz in the neck. Franz is still alive when witnesses arrive to give aid. His dying words to Sophie are, "Don't die darling. Live for our children."

*In just a few weeks’ time, Europe is now aflame in war as the Globalist-Zionist press in France, England, Austria, and Germany whip up a mutually destructive nationalist fervor among the European nations.*

![Map of Europe during World War I](image)

*Surrounded by The Great Powers of The Triple Entente, peaceful Germany was forced to advance in two directions.*
After Germany’s westward march towards Paris stalls, the Western Front bogs down into a bloody stalemate with trench lines that change little until 1918. In the East, the Russian army successfully fights against the Austro-Hungarian forces but is then forced back by the German army. Additional fronts open after the Ottoman Empire (Turkey) joins the war (on Germany’s side) in 1914. Italy switches sides and joins the Entente powers in 1915. At sea, the British Navy blockades Germany. German U-boats will counter the blockade, and sink many British merchant ships carrying arms and supplies.

The UK wants to draw America into the war. Lord of the Admiralty Winston Churchill and Wilson’s Marxist advisor, Edward Mandell House, believe that if Germany can be baited into sinking a British ship with Americans on board, the U.S. will be drawn into the war. Unknown to its passengers, the luxury liner Lusitania is loaded with arms for Britain.

As Lusitania approaches the Irish coast, it is ordered to reduce speed, and its military escort ship, Juno, is withdrawn. Churchill knows that German U-Boats are in the area. He purposely slows down the Lusitania and calls off Juno, leaving the Lusitania as a sitting duck. A German torpedo hit ignites the munitions, causing a secondary explosion which sinks the massive liner in just 18 minutes! Nearly 1200 of its 1959 passengers are killed, including 128 Americans. The American press vilifies Germany, but makes no mention of the smuggled munitions (or perhaps a pre-planted bomb?) which really sank the Lusitania.

During the 1950’s, the British Navy attempts to destroy the historical evidence of the Lusitania explosion by dropping depth charges onto the sunken liner.
**1915-16 / IN SPITE OF THE LUSITANIA SINKING, WILSON DELAY U.S ENTRY INTO THE WAR**

The Lusitania incident plays a role in turning American sentiment against Germany, but it is not yet time for America to make its entry. **The Zionists are waiting to achieve maximum leverage before ordering Wilson to finally pull the trigger.** For the time being, Wilson will just verbally condemn the Lusitania attack, while keeping America out of the war, and cruising towards re-election in 1916.

The British are disappointed. UK politicians, journalists, and the certifiably insane Teddy Roosevelt all mock Wilson as being timid. In an effort to keep America inflamed, the British fabricate a story about German school children being given a holiday to celebrate the sinking of the *Lusitania*. Other false tales tell of German soldiers nailing babies to church doors in Belgium!

The British know that they will eventually need American help if they are to gain the advantage over The Triple Alliance / Central Powers. **The Zionists know this too, but they are biding their time, setting up the UK and the US for the right moment, and the right deal.**

**DECEMBER 1916 / GERMAN KAISER TRIES TO STOP THE WAR**

**The Battle of Verdun** rages for 10 months, resulting in 306,000 battlefield deaths (*163,000 French and 143,000 German*) and 500,000 wounded. That’s an average of 30,000 deaths for each of the 10 months of the battle!

Taking place in north eastern France, Verdun is the longest and most devastating battle of *The Great War*. By the end of Verdun, the war has broken down into a stalemate, but Germany still holds an advantage. In December of 1916, Kaiser Wilhelm offers to negotiate peace with The Entente Powers. **But Britain and France deliberately make impossible demands upon Germany as a condition for even negotiating!**

In spite of Wilhelm’s sincere efforts to stop the madness, somebody wants this senseless bloodbath to continue. But who?.....*And why?*
DECEMBER 1916 / DIRTY BACK-ROOM DEAL KEEPS WAR GOING
/ZIONISTS TO BRITAIN: “WE CAN BRING THE U.S. INTO THE WAR!”

By December 1916, the Central Powers have a clear advantage. France has suffered horrible losses. Russia is facing internal Red revolutionary chaos. Britain is under U-Boat blockade, and not one square inch of Germany occupied. Germany offers generous peace. Basically, Kaiser Wilhelm is willing to just call off the war and return to how things were.

That’s when the Zionists make their move to fulfill Herzl's plan! Chaim Weizman and Nathan Sokolow approach the British with a dirty deal. The Zionists offer to use their international influence to bring the U.S. into the war on Britain's side, while undermining Germany from within.

The price that Britain must pay for US entry is to steal Palestine from the Ottoman Empire and allow the Jews to establish a homeland there.

Though the official declaration of British support for a Jewish homeland is not be made public until 1917 (Balfour Declaration), the agreement was, in fact, reached in December of 1916. Soon after that, Zionist agitated anti-German propaganda was unleashed in the U.S. while the Zionists and Marxists of Germany begin to undermine Germany's war effort from within.

FEbruary 1917 / THE ‘FEBRUARY REVOLUTION’ TOPPLES RUSSIA’S ROMANOV FAMILY

As the Russian economy deteriorates and the war becomes unpopular, the ‘February Revolution’ begins. A combination of Communists, Progressive Socialists, and disaffected soldiers combine to destabilize the already weakened reign of Czar Nicholas. The Czar is forced to abdicate his thrown and put under house arrest pending exile.

A "center-left" coalition government consisting mainly of Socialists and Communists is established. A power struggle between this faction and the hard core Communist (Soviet-Bolshevik) faction follows.

The Romanov Dynasty is over.
During the weeks following the Zionist-UK dirty deal to steal Palestine, the Zionists deliver on their end of the bargain. **An intense propaganda campaign is suddenly unleashed in America.** The 1915 Lusitania incident is resurrected, along with hype over German U-boat warfare. A German contingency plan to ally with Mexico if the U.S. enters the war (*Zimmerman Note*) is falsely portrayed as a plot to attack America.

On April 2nd, 1917, Wilson (*under blackmail over an affair he had at Princeton*) asks Congress for a Declaration of War. Congress complies. Regular forces of the small US military begin arriving in Europe, but it will be months before the full force of drafted men can be deployed.

The terrorist Red leaders that Czar Nicholas had only exiled in 1905 now begin returning to Russia. **Vladimir Lenin** arrives from Switzerland, via Germany, with a stash of Zionist banker gold. **Leon Trotsky** arrives from New York with more money and a gang of Marxist-Jewish thugs.

The Zionist funded Communists immediately undermine the new provisional government. A violent coup is attempted in July, but the Bolshevik Reds are held back. Democratic Socialist **Alexander Kerensky** becomes Prime Minister. Red leaders go underground.
Wilson establishes the Committee on Public Information (CPI) for the purpose of manipulating public opinion in support of the war. Edward Bernays, "the father of American propaganda" is a CPI member. A nephew of the psychoanalyst Sigmund Freud, Zionist Bernays boasts of his ability to control the public mind. He calls his scientific methods for controlling public opinion, "the engineering of consent." In his 1928 book, Propaganda, Bernays explains:

"The conscious and intelligent manipulation of the habits and opinions of the masses is an important element in democratic society. Those who manipulate this unseen mechanism of society constitute an invisible government which is the true ruling power of our country. - We are governed, our minds are molded, our tastes formed, our ideas suggested, largely by men we have never heard of. It is they who pull the wires that control the public mind."

Bernays and his CPI co-conspirators portray the American war effort as a holy crusade "to make the world safe for democracy", while at the same time spreading vile hate-filled propaganda directed towards Germany and its Emperor, Kaiser Wilhelm II.

"Babies &Bayonets."

In Europe and America, Germany became the target of hateful and ridiculous war propaganda.

America's military is very small, but its capacity to field and equip an army is great. The unpopular draft is instituted in 1917. By the war's end, under the idiotic pretext of "making the world safe for democracy" (Bernay's slogan), more than 2 million unsuspecting American men will be sent to fight for Globalism and Zionism.
The Zionists have delivered on their end of the dirty deal made with the British in 1916. American entry into the war was delivered as promised. By formally, and publicly, issuing “The Balfour Declaration”, Lord Balfour is assuring the Zionists that Britain will fulfill its end of the deal after the war— the theft of Palestine! The Declaration is delivered to the ‘Baron’ Walter Rothschild. It reads as follows: “His Majesty’s government views with favor the establishment in Palestine of a national home for the Jewish people, and will use their best endeavors to facilitate the achievement of this object.”

This is one of the main reasons why the senseless war was kept going, and why America was finally dragged in! In Israel today, Balfour Day (November 2nd) is widely celebrated. The Arabs observe it as a day of mourning.

Socialist Prime Minister Kerensky struggles to keep a bad economy afloat, an unstable coalition government together, and a tired Russian nation in the war. The time is ripe for the Reds to stage another violent attempt at power. This time, Trotsky, Lenin and their evil gang will succeed. With backing from some Red troops (many of which had been brainwashed in 1905 Japanese POW camps by Jacob Schiff’s reading materials), the Capital City of Petrograd (St. Petersburg) is seized during the October Revolution, (aka "Red October").

Kerensky flees for his life and the new Soviet regime immediately moves to pull Russia out of the war (before Germany can beat them). Outside of Petrograd, the pre-dominantly Jewish Red government is not recognized as legitimate. A bloody Civil War between the Jewish led Reds and the opposing Christian "Whites" is now in the making.

FORBIDDEN HISTORY: QUOTE TO REMEMBER:

"The Bolshevik leaders here (Russia), most of whom are Jews and 90 percent of whom are returned exiles, care little for Russia or any other country but are internationalists and they are trying to start a world-wide social revolution."

David R. Francis, U.S. Ambassador to Russia, January 1918
After the fall of St. Petersburg to the Reds, a counter-revolutionary civil war will tear Russia apart for three more years. The various opponents of the ‘Reds’ are collectively referred to as ‘The Whites’, led mainly by Admiral Kolchak.

When it becomes apparent that a Red revolutionary army composed solely of workers and some ex-Czarist troops is far too small to put down the counter-Revolution, Trotsky institutes mandatory conscription of the peasantry into the Red Army. Opposition to Red Army conscription is overcome by terror tactics. Hostages and their families are tortured and killed when necessary to force compliance.

The 1918 Flu Pandemic (Spanish Flu) is an unusually severe influenza pandemic. The virus originates at a military base in Kansas. It spreads to Europe, then Asia and Africa. Victims suffer horribly. Within hours of feeling the first symptoms of fatigue, fever, and headache, they turn blue. Sometimes the blue color is so dark that it is difficult to determine a patient’s original skin color! Victims cough with such force that they tear their abdominal muscles, as foamy blood exits from their mouths, noses, and ears.

The final death toll of the disaster is higher than that of the War! In India, 17,000,000. In the U.S. 600,000, UK: 250,000, France: 400,000, Japan: 390,000, Germany: 400,000.

Several oddities suggest that the epidemic may be a bioweapon, aimed at the Central Powers, which somehow backfired and infected everyone! Consider the following:

1. Place of its origin (a military base in Kansas)
2. Coincidental timing of the flu’s beginning (same time that the full US force arrives in Europe)
3. Strange effects of the illness (blue skin / blood from nose & mouth)
4. Odd way in which it targets 20-35 year olds (military age) instead of weak infants and elderly
5. The odd way in which it struck in 3 separate waves
6. German soldiers affected in greater numbers worse than Entente troops.
7. Inexplicable, coincidental manner in which epidemic abruptly ends as soon as the war ends

Scientists have never explained why the virus mutated into such a deadly form, why it suddenly stopped without a cure, why it targeted the young, and why it has never reappeared.
After successful Spring Offensive, German troops ‘stabb[ed] in the back’ by German Jews

The Reds can’t fight a civil war at home and an external war at the same time. Lenin and Trotsky have no choice but to take Russia out of the war. Germany then diverts its troops from the east and stages a major western offensive. The operation begins in March with an attack on UK forces in France. The Germans advance 40 miles. Paris is just 75 miles away! The Spring Offensive is so successful that Wilhelm declares March 24 a National Holiday.

At this a critical point, Marxists & Zionists in Germany stab their countrymen in the back. Marxist Trade Union leaders order factory strikes which deprive German troops of critical supplies. The Jewish owned press, which had fanned war passions in 1914, suddenly turns sour on the war and begins ripping on the German military. German morale begins to fall quickly, as does industrial output. Recent recruits arrive at the frontline with a defeatist attitude as anti-war protests and general discontent spread throughout Germany.

The Great Offensive comes to a halt as the Americans begin to arrive. German Zionists are betraying Germany so that Palestine can be taken from Germany's Turkish ally and given to the Jews (Balfour Declaration). German Jewish Marxists and “Democratic Socialists” also see a German defeat as a means to destabilize the nation and stage a revolution.

After the war, the treasonous betrayal of 1918 becomes known as "The Stab-in-the-Back." Modern liberal "historians" dismiss this as "legend", but there is nothing mythical about it. On the brink of final victory, Germany was betrayed from within - plain & simple!

It took some time for America to get its military drafted, trained, and deployed. By the Summer of ’18, 10,000 fresh troops arrive daily at the front. About 100,000 of them will die in the Great War. In addition to the badly needed fresh blood, the French and British war machines are now being re-supplied by the industrial output of mighty America. With the breakdown of the Spring Offensive, the tide turns against Germany and its allies. The Allied counter attack, (100 Days Offensive) begins in August. At the Battle of Amiens, the Allies advance 7 miles into German-held territory in just 7 hours. Back in Germany, the Jewish Press ignores the devastating effects of the factory strikes, and instead blames General for recent German setbacks!
Czar Nicholas II had hoped to be exiled to the UK while Kerensky was in power, but his British "ally" refused to take him in! The Bolsheviks (Communists) now hold Nicholas, his wife Alexandra, his four daughters, and young son under house arrest. Their Red captors force them to live on rations.

As a boy, Nicholas witnessed the bombing murder of his grandfather, Alexander II, in 1881. Nicholas's tragic error was in failing to execute the Red scum, such as Lenin and Trotsky, after their failed 1905 revolution. Now, his misguided mercy returns to haunt him, and his family.

On the evening of July 16/17, 1918, the royal Romanov Family is awakened at 2AM, told to dress, and then herded into the cellar of the house in which they are being held. Moments later, Jewish Reds storm in and gun down the entire family, their doctor, and three servants in cold blood. Some of the Romanov daughters are stabbed and clubbed to death when initial gunfire fails to kill them. News of the brutal murder of the Romanovs will send shock waves throughout Russia, and all of Christian Europe.
Britain's previous campaign against the Turks had ended in failure (Gallipoli). Now, with fresh and strong Americans arriving to fight the Germans in Western Europe, British troops are freed up to concentrate on the Ottoman Empire. Britain covets the oil fields of the Middle East, but the UK also has a debt to repay to the Zionist bosses who dragged the U.S. into the war.

Assisting the Brits in the effort to steal Palestine are 10,000 American Jews who enlist to fight not alongside their fellow Americans in Europe, but with the British, who intend to seize their future home, Palestine. See: The Jewish Legion.

During this time, British airplanes drop leaflets over Germany. Printed in Yiddish, the Balfour leaflets seek to win Jewish support in Germany by promising the Jews a ‘homeland’ in Palestine after the war.

With the Russian Civil War raging, the Communist International, known as “The Comintern”, is established in Moscow, Russia. The Comintern states openly that its intention is to fight "by all available means, including armed force, for the overthrow of the international "bourgeoisie" (the entrepreneurial class) and for the creation of an international Soviet republic (world government)."

From 1918-1922, Comintern affiliated Communist Parties form in France, Italy, China, Germany, Spain, Belgium, the U.S., and other nations. All Communists operate under the direction of the Moscow Reds, who are themselves financed by the same Globalist-Zionist international bankers that created the Federal Reserve and brought about the Great War.

"All Power To The Workers" really means all power to the New World Order!

Vladimir Jabotinsky led Jewish units in the fight against Turkey.
The Russian Communists plan to strategically use terror to intimidate their White adversaries into submission. On orders from Lenin and Trotsky, the "Red Terror" is announced by the Jewish Red Yakov Sverlov. The Red Terror is marked by mass arrests in the middle of the night, executions, and hideously creative tactics of torture. As many as 100,000 Russians are murdered in the Red Terror, carried out by Jewish-run Cheka (secret police). Among the verified atrocities committed, often in view of victim's family members, are:

- 40,000 White prisoners publicly hanged in the Ukraine
- Burning coals inserted into women's vaginas
- Crucifixions
- Rapes of women of all ages
- Victims submerged in boiling oil or tar
- Victims doused with petrol and burned alive
- Victims placed in coffins filled with hungry rats
- Victims soaked with water, and left to turn into human ice-cubes in the winter weather.
- Priests, monks, and nuns have molten lead poured down their throats

The demoralizing terror takes a heavy psychological toll on the frightened Russian people. By 1922, many are broken into submission to the Red monsters of the Cheka.

Not since the days of Genghis Khan have so many Caucasians been so brutally murdered.
By the fall of 1918, it is clear that Germany can no longer win the War. Its policy now is “to not lose it either.” As he had in 1916, the Kaiser offers to negotiate peace on terms favorable to all.

Though Germany cannot win, the Allies are not able to win either. Germany’s Eastern front with Russia is closed. There are no Allied troops on German soil, the Capital, Berlin is 900 miles safely away from the front, and the German military is very capable of defending the homeland from any invasion. But the home front is collapsing. Treasonous politicians, Marxist labor union leaders, and Zionist media moguls, combine to demoralize the people and destabilize Germany. The Kaiser is forced to step down, exiling to Holland. On November 11, ‘18, liberals of the newly formed "Weimer Republic" (formed in the city of Weimar) lie down and roll over for the Allies!

Incredibly, at a time when the Allies do not have a single soldier on German soil, the Weimar traitors order the German military to lay down their weapons and withdraw from the front. Based on Wilson’s empty promises of a “peace without victory”, the ‘November Criminals’ have placed their nation at the complete mercy of the New World Order.

As a 25-year-old ‘starving artist’, Adolph Hitler volunteered to fight for Austria in 1914. Afflicted with tuberculosis during youth, he was rejected for military service.

Hitler then pleads with German authorities to allow him to fight for Germany. He serves with great distinction, and is promoted to Lance Corporal after being awarded the German Iron Cross2nd Class for bravery. In October ‘16, he is badly wounded and spends two months in a military hospital. In August of ‘18, Hitler is awarded the prestigious Iron Cross 1st Class. In October ‘18, he is blinded by a British poison gas attack.

While recovering his eyesight, Hitler hears of Germany’s shameful capitulation. He is confused and outraged. The sacrifice and suffering of the German soldiers had been for nothing. The brave unknown painter from Vienna wants answers, and he won’t rest until the ‘November Criminals’ (his term) are exposed, and Germany’s honor restored.
In 1915, Jewish Reds Rosa Luxemburg and Karl Liebknecht founded the "Spartacus League" (named after Illuminati founder Adam Weishaupt's code name of "Spartacus"). In 1919, the group becomes the Communist Party of Germany. That same month, the Spartacists, aided by Jewish-Hungarian Red Bela Kun, take advantage of the post-war chaos, and stage coup in Berlin. Kaiser Wilhelm, fearing the same fate as Czar Nicholas, flees to Holland. He now regrets his past liberalism and denounces the "Jewish influence" that ruined Germany.

The Communist takeover of Berlin is short lived as veterans known as the 'Freikorps' reclaim control from the Jewish Reds and their followers. Luxemburg and Liebknecht are captured and executed. The "Freikorps" has saved Germany from the same deadly fate that has befallen Russia, but the new "democratic socialist" Germany will soon face other serious problems. Just like the hard core Reds of Russia pushed aside the socialist Kerensky, the Reds of Germany will keep trying to grab absolute power from the "democratic socialists" of Weimar.

The Paris Peace Conference is the meeting of the Allied victors to determine the new borders of the defeated nations. The Globalists devise a series of treaties (Paris Peace Treaties) that reshape Europe and the world. At its center are the leaders of the 3 'Great Powers': Woodrow Wilson (US), Prime Ministers David Lloyd George (UK) and Georges Clemenceau (France). Germany is not invited and will have no say in the final decisions.

The Globalists dismantle existing nations and create new ones. Austria-Hungary and Turkey are carved up, their disparate peoples to be re-assigned to new states. The Conference also creates the framework for a future World Government, The League of Nations.

A Zionist delegation is also present. They had brought America into the war, and now it is time to collect payment for services rendered (Balfour Declaration). Former Arab territories of the Ottoman Empire are separated from Turkish rule and broken up into small states. Palestine is to become a British protectorate. See: British Mandate The Zionist statement establishes the Jewish people's title to The Land of Israel, guaranteed by The League of Nations (exactly as Herzl had predicted in 1897!) Jews from all over the world may now immigrate to Palestine. The Arabs of Palestine were never consulted about this deal, and they are angry.
The Paris Peace Conference issues the infamous “Treaty of Versailles”. The cruelty of the Treaty is today recognized even by liberal historians. With Germany disarmed by its new government, and with no German representatives present, the Globalists & Zionists proceed to rape a German nation, whose Kaiser did not want war, had tried to avert war, and offered to make peace after the war had begun.

The Treaty contains 440 clauses, 414 of which are dedicated towards punishing Germany for a war it was in no way responsible for!

Among the key provisions that a disarmed Germany is forced to accept at gunpoint are:

1. Germany accepts 100% responsibility for the war
2. German armed forces restricted to 100,000 men
3. The industrial German Rhineland will be occupied by French troops for the next 15 years.
4. Kaiser Wilhelm (safe in Holland) should be tried for "offenses against international morality"
5. The German region of West Prussia is carved out and given to the new nation of Poland.

Millions of West Prussians are forcefully expelled from their homes, and East Prussia is left isolated from the rest of Germany! (see image)

6. The German Sudetenland region is put under the rule of the new nation of ‘Czechoslovakia’.
7. The new state of Austria is forbidden from uniting with their Germanic brothers in Germany.
8. Germany is stripped of her African colonies. Britain, France, & Belgium take them over.
9. The coal-rich Saar region of Germany is placed under League of Nations control for 15 years. During this time, its coal is to be shipped to France.
10. The Baltic Sea port city of Danzig is separated from Germany and declared a "free city."
11. Germany is forced to pay massive war reparations in the form of money and natural resources. The crushing debt payments (equal to 1 Trillion dollars in modern currency) will devastate the German economy and soon cause a hyperinflationary monetary collapse.

The inhumane Treaty of Versailles breeds resentment and anger for year to come.
CHAPTER 3

1919-1933

THE COMPETING FORCES OF NATIONALISM AND ZIONIST COMMUNISM
When Adolf Hitler joins the **German Workers Party** (DAP) in 1919, there are only 7 members of the nationalist group. The now 30-year old, self-educated artist from Austria has no money and no political connections. But his oratorical, organizational, and marketing talents propel him to leadership of the tiny band of brothers. Hitler’s mesmerizing beer-hall speeches stop onlookers in their tracks. He denounces the Versailles Treaty, the occupation, the ‘November Criminals’, the Marxists, the Press, and the international bankers.

DAP membership then grows rapidly, recruiting unemployed young men and disgruntled ex-soldiers betrayed during the war. Hitler appeals to veterans because he himself was a frontline soldier, twice decorated for serious injuries sustained, and twice more for conspicuous bravery.

To draw recruits away from *both* the rival “right” Nationalist and “left” Socialist Parties, Hitler simply adds ‘National’ and ‘Socialist’ to the Party’s name, making it NSDAP. *(They never called themselves “Nazis”).* To draw people away from the Reds, Hitler uses red flags too!

---

*Adolf Hitler: A man with a dream*
Lord of the Admiralty and Lusitania war criminal Winston Churchill is a supporter of Zionism (Jewish state in Palestine), but is opposed to Jewish Communism. Although both movements trace back to the same Rothschild Crime Family, they sometimes appear - even to this day - to operate at cross-purposes, and often in bitter conflict with each other.

In an editorial appearing in the Illustrated Sunday Herald entitled "Zionism vs Bolshevism," Churchill argues that Jews should support Zionism as an alternative to Communism, missing the fact that both movements emanate from the same source. The future Prime Minister rails against "the schemes of the International Jews":

"This movement among the Jews is not new. From the days of Weishaupt to those of Karl Marx, and down to Trotsky (Russia), Bela Kun (Hungary), Rosa Luxembourg (Germany), and Emma Goldman (United States), this worldwide conspiracy for the overthrow of civilization and for the reconstitution of society on the basis of arrested development, envious malevolence, and impossible equality, has been steadily growing. It played, as a modern writer, Mrs. Webster, has so ably shown, a definitely recognizable part in the tragedy of the French Revolution......It has been the mainspring of every subversive movement during the Nineteenth Century; and now at last this band of extraordinary personalities from the underworld of the great cities of Europe and America have gripped the Russian people by the hair of their heads and have become the undisputed masters of that enormous empire."

Lenin's oppression of the Russian people breaks their strength and will to resist. The Famine of 1921 is partly due to the folly of central economic planning, as well as to a deliberate effort to kill off any Russians still not willing to support the Red takeover. The Communists ran the money-printing presses to finance their civil war and welfare schemes. When inflation follows, they impose price controls, causing farmers to lose money by farming. Compounding the shortage is the Red seizure of seeds!
CONTINUED/ COMMUNIST FORCED FAMINE IN RUSSIA

The horrific famine is then used to selectively feed those regions submissive to the Reds, and starve out those loyal to the Whites.

Starving Russians and Ukrainians resort to eating grass, or even cannibalizing the dead. The horror escalates when Lenin deliberately blocks foreign relief efforts. When the death toll reaches 10 million, Lenin finally allows relief efforts. Were it not for the mostly American aid, the death toll for Lenin’s cruelty would have doubled or tripled.

1922 / THE REDS WIN THE RUSSIAN CIVIL WAR / THE ‘SOVIET UNION’ (U.S.S.R.) IS FORMALLY ESTABLISHED

At the conclusion of the Red Terror, Red Famine, and Red-White Civil War in 1922, Lenin and Trotsky formally establish the Soviet Union with its capital city in Moscow. The former Russian Empire is now also known as the USSR (Union of Soviet Socialist Republics). The Communist giant spans the Eurasian landmass. Of its multi-ethnic "republics" the Russian republic is by far the largest and most populated. The well-known criminal brutality of the Soviets shocks the world, as do the Communist declarations to overthrow all other nations. For these reasons, three consecutive Republican Presidents (Harding, Coolidge, Hoover), will refuse to diplomatically recognize the Soviet Union.

Phony symbolism! Hammer & Sickle on Soviet flag symbolize Communist love for “the workers.”

The enormous Russian Empire is now the evil Soviet Empire.
OCTOBER 1922 / ‘THE MARCH ON ROME’ / BENITO MUSSOLINI’S FASCISTS SAVES ITALY FROM THE COMMUNISTS & LIBERALS

The global economic Depression that follows World War I gives the Reds and socialists an opportunity to agitate in post war Italy. Benito Mussolini and his Fascist Party decide to act before the "democratic" Reds can get any stronger.

In October of ‘22, Mussolini declares before 60,000 people at the Fascist Congress in Naples: "Our program is simple: we want to rule Italy." Fascist "Black-shirts" capture the strategic points of Italy. Mussolini then leads a March of 30,000 men on the Capital City of Rome. On October 28, a sympathetic King Victor Emmanuel III (whose father had been murdered by the Red in 1900 ) grants political power to Mussolini, who is supported by Italian veterans and the business class.

The corrupt left-wing political parties are eventually shut down. Under "Il Duce's" rule, the pro-business Fascist Party takes control and restores order to Italy. Fascism combines an honest and sound monetary system with a mix of free enterprise and state regulated corporatism.

JANUARY 11, 1923 / FRANCE INVADES GERMANY’S RUHR REGION AFTER GERMANY IS LATE ON EXTORTION PAYMENTS

More than four years have passed since Germany's complete and total surrender at the end of The Great War. The poverty & hunger-stricken German nation is now having difficulty in making the massive reparations extortion payments imposed by The Treaty of Versailles. Having already destroyed the value of Germany’s currency, the Allies now demand to be paid in timber and coal. Extortionist allied troops move in for a “shakedown.”

In a further humiliation of an already occupied Germany (Rhineland), 60,000 troops from Belgium, France, and the French African colonies expand the occupation into the defenseless Ruhr (an industrial region of Germany). While German children go hungry, the Allies collect their stolen loot of physical German commodities. Machine gun posts are set up in the streets as Allied troops take food and supplies from German shopkeepers. Other than stage passive demonstrations, there is nothing the disarmed, humiliated, and hungry German people can do about the French abuse.
1923 / GERMAN SUPER-INFLATION WIPES OUT THE MIDDLE CLASS

With Allied troops occupying the Ruhr, and the German Mark losing its value to inflation, Germany in '22-23 goes through a horrific hyperinflation. The socialist Weimer Government and the Warburg/Rothschild Central Bank resort to massively expanding the money supply, mostly to cover the crushing debt imposed by the Versailles Treaty, and also to keep the Weimar Republic's socialist welfare state afloat.

The life savings of the German people is wiped out as prices double every 2 days for 20 straight months! Workers are paid daily, so that they may go food shopping before prices double again. Some Germans refer to their devalued money as “Jewish confetti.”

This leads to more chaos and another attempt by the Communists to stage a revolution. As they had during the war, the Marxist Trade Unions call for strikes at a time when Germany is most vulnerable. To pacify the striking workers, the Weimar/Reichsbank complex pumps even more paper debt money into the economy!

NOVEMBER 8, 1923 / ‘THE BEER HALL PUTSCH’ / HITLER ATTEMPTS A COUP IN BAVARIAN CITY OF MUNICH

Anger is boiling over the inflation and the French occupation. Hitler decides that the time is right to seize power from the local government in Munich. Hoping that war veterans will join the revolt and move against the national government in Berlin, Hitler uses a rally in a Munich ‘Beer Hall’ to launch a “putsch” (coup)

The local uprising is ignited by Hitler’s moving speech, but fails to sustain itself as troops open fire on the nationalist rebels, killing 16 of them. Hitler and others are arrested and tried for treason. At his trial, Hitler uses the occasion to spread his ideas, which are then published in the newspapers. The judge is impressed, and issues a lenient sentence for the rebels. Though the Munich coup has failed, the legend of the great orator grows, attracting new followers by the day. Membership in Hitler’s NSDAP tops 20,000 by year's end.
When Lenin dies in 1924, Joseph Stalin, Secretary of the Communist Party Central Committee, skillfully outmaneuvers Red Army leader Lev Trotsky to take leadership of the USSR. Stalin will eventually expel Trotsky from the Party, then from the USSR itself. Finally, he will have his Marxist rival axed through his brain by a Soviet agent in Mexico.

Stalin’s brutality instills fear not only in the enslaved people of the Soviet Union, but also in the hearts of fellow Communists that the paranoid Stalin believes may challenge his leadership. The egomaniac renames a city after himself (Stalingrad), and erects statues of his likeness in town squares. From time to time, the psycho killer will “purge” many of his own Red comrades, as well as wives. He dumps his first wife, and drives his second, (as well as one of his sons) to suicide.

In years to come, Stalin’s chilling crimes against humanity will make Lenin’s Red Terror and Red Famine seem like minor infractions by comparison.

In 1924, a refinancing of Germany’s reparations debt, as well as Allied debt to the US Treasury (which in turn is indebted to the Fed) is worked out. The terms are still harsh, but the German economy and currency are temporarily stabilized. In 5 years the Dawes plan will also fail, and be replaced by the Young Plan. The reality of the Dawes Plan, named after US Vice President Charles Dawes, is that Dawes himself has little to do with it. It was the Zionist-Globalist bankers imposing the new plan. Former UK Prime Minister David Lloyd George reveals:

“The international bankers dictated the Dawes reparations settlement. The protocol, which was signed between the allies and Germany, is the triumph of the international financier. Agreement would never have been reached without the brutal intervention of the international bankers. They swept statesman, politicians, and journalists aside, and issued their orders with the imperiousness of absolute Monarchs, who knew there was no appeal from their ruthless decrees. The Dawes report was fashioned by the Money Kings.”
During his 8-month imprisonment of 1924, Hitler had dictated Mein Kampf (My Struggle). His close associate Rudolf Hess, imprisoned with Hitler, took the dictation for the book, which was published in 1925. In it, Hitler places the blame for Germany’s sorry condition upon a Global conspiracy of Marxists and Finance Capitalists.

According to Hitler, this global conspiracy, directed by Jewish bankers, engineered Germany’s loss of The Great War, the Russian revolution, the Versailles Treaty, and the resulting hyperinflation that devastated Germany. He accuses the elite Marxist Jews of Germany of controlling newspapers and banking, fomenting wars, and corrupting the art, culture and morality of Europe.

Mein Kampf combines elements of a political manifesto, and an autobiography, along with discussions of history, philosophy, and economics. Originally written for the followers of National Socialism, Mein Kampf quickly grows in popularity, making Hitler a wealthy man.

David Sarnoff was born in a small Jewish village in Czarist Russia and immigrated to New York in 1900. At the age of 15, he joined the Marconi Wireless Telegraph Company of America, starting a 60-year career in electronic communications.

By 1919, Sarnoff is General Manager of RCA radio. In 1926, Sarnoff’s RCA forms NBC, the first major broadcast network in the U.S. Sarnoff is instrumental in building the AM broadcasting radio business which became the preeminent public radio standard for the majority of the 20th century. During World War II, Sarnoff (who had no military experience) will serve under General Eisenhower a Brigadier General and “Communications Consultant”.

When television in America is born under the name of the National Broadcast Corporation, the first TV show aired at the New York World’s Fair and was introduced by Sarnoff himself. Leadership of RCA-NBC eventually passes down to Sarnoff’s eldest son, Robert Sarnoff, one of the husbands of Felicia Schiff-Warburg of the two famous banking families. Franklin Roosevelt Jr. (son of FDR) was also an ex-husband of Felicia Schiff-Warburg.

The Sarnoff Family will control RCA-NBC TV for more than 60 years. Today, NBC is owned by GE, whose CEO, Jeffrey Immelt, is a Globo-Zionist and advisor to Barrack Obama.
APRIL 1927/ CIVIL WAR IN CHINA / MAO’s REDS vs CHIANG’s NATIONALISTS

A major civil war breaks out in China between the governing Kuomintang (KMT or Chinese nationalist Party) and the Communist Party of China (CPC). The anti-Communist Chiang Kai Shek leads the KMT. The Red guerillas are led by Mao Tse Tung, who himself is supported by Comintern boss Joe Stalin. This bloody civil war will eventually blend into the Asian theater of World War II, finally ending in 1949.

1928/ ZIONIST WILLIAM PALEY TAKES OVER CBS RADIO

William S. Paley (Paloff) is the son of Jewish immigrants who came from the Ukraine region of the Czarist Russian Empire. In 1928, the 27-year old businessman secures majority ownership of the CBS radio network (of which his father Samuel Paloff had been part owner). Within the next decade, Paley expands CBS into a national powerhouse with 114 affiliate stations.

During World War II, Paley, like Sarnoff of NBC, will serve under General Eisenhower as a colonel in the Psychological Warfare branch of the Office of War Information.

As the King of the CBS radio (and later TV), Paley is without question, one of the most powerful figures of the 20th Century.

With David Sarnoff already controlling RCA-NBC, and Paley now in control of CBS, the important pre-TV medium of radio is rapidly falling under Zionist control. CBS today is majority owned by Sumner Redstone’s Viacom. Redstone is also a Zionist-Globalist.
1928/ STALIN SEIZES THE LAST OF RUSSIA’S FARMS / 1000’s WHO RESISTED ARE KILLED

As part of Stalin’s first “5 Year Plan”, the small farmers of the Soviet Union are forced into a collectivization scheme. The government, not the market, now controls output and sets prices. Land, livestock, and equipment become property of “the people” (the State). Reluctant farmers (kulaks), are smeared in the Soviet press as “greedy” “capitalists.” Those who continue to resist the state’s directives are murdered or imprisoned.

Thousands of private farmers are killed, but the really massive death tolls will occur in the early 1930’s. Like all centrally planned economic schemes, in which “intellectuals” think they know better than the actual farmer, Stalin’s collectivization, and other “5-Year Plans”, yield only low living standards for the Soviet people.

OCTOBER 1929/ THE FEDERAL RESERVE CRASHES THE STOCK MARKET / ENGINEERS ‘THE GREAT DEPRESSION’

In the late 1920’s, the Federal Reserve’s policy of “easy money” had made it profitable for investors to borrow money at artificially low interest rates, and then purchase stocks with the money. Like two con men working the same mark, the Zionist Fed pumps out credit while the Zionist press hypes the Stock Market “rally”. As surely as night follows day, a massive stock bubble is inflated.

In 1929, the Fed suddenly hits the brakes on the money supply with a “tight money” policy. When the adjustment to the Fed’s bubble occurs, the Stock Market collapses. Investors big and small are ruined.

Instead of loosening up the money supply to enable debtors to pay down old debt, the Fed tightens even more. The sudden shortage of currency creates a tidal wave of bankruptcies across the US, as debtors cannot get their hands on enough money to pay off old loans. The well connected then swoop in to buy up assets at bargain prices.

The press, the Reds, and the idiot liberals will blame “capitalism” and Republican policies for the coming Great Depression, deceitfully ignoring the deliberate role of Warburg/Rothschild Federal Reserve.
SEPTEMBER, 1930 / HITLER’S NSDAP RECEIVES 6 MILLION VOTES / NOW 2ND LARGEST PARTY IN GERMANY

The worldwide Great Depression hits debt-heavy Germany especially hard. The people are tired of the Versailles reparations, the unjust war guilt, the inflation, and chronic unemployment. There is a real fear among many that Germany may yet fall to Communism.

As a result, the NSDAP makes its first major electoral breakthrough. Hitler’s party wins 6 million votes (18% of vote), increasing its number of seats in the Reichstag (German parliament) from 12, to 107. NSDAP is now second only to the 143 seats held by Germany’s socialist party, the Social Democrats. The Communist Party also gains 23 seats, raising its Reichstag representation to 77 Reds in the Reichstag, plus any secret members posing as Social Democrats.

1932 / STALIN & KAGANOVICh ENGINEER ANOTHER FAMINE

The Holodomor (Ukrainian translation Killing by hunger) was a man-made famine occurring mainly in the Ukrainian Republic of the Soviet Union during 1932-33. The famine was caused partly by the folly of Stalin’s latest socialist scheme, and partly due to a deliberate, strategic terror plan engineered by Stalin’s powerful Jewish brother-in-law, Lazar Kaganovich.

Encyclopedia Britannica estimates 8 million people, 5 million of them Ukrainian, were starved to death by Stalin’s famine. Some estimates run as high as 10 million. The famine-genocide is aimed at stamping out Ukrainian nationalism as well as starving anti-Red peasants in Belarus, Kazakhstan and Russia.

Despite Soviet denials of the famine and a news blackout in most of the US Zionist/Globalist press, the truth of the Holodomor was indeed known to the West. Unlike Lenin’s terror famine of 1921, this time no outside assistance is permitted into the Soviet Union. Millions die a slow death and people resort to cannibalism. With this famine, Stalin and his henchmen destroy any last remaining resistance to the Red Revolution.
German elections in 1932 are held under violent conditions. NSDAP “brown shirts” clash in the streets with Red paramilitary. Hitler’s party scores major gains, winning 230 Reichstag seats. It is now the largest political body, but it is still not a majority in the 608 member body.

Political deadlocks trigger another election in November: NSDAP: 196, Social Democrats: 121, Communists: 100, Center Party: 70, and 9 minor parties split 100 seats. Germany’s chaotic politics are paralyzed and divided.

The brutal “austerity” policies of Chancellor Heinrich Brüning had shrunk the economy by about 25%, but still did not prevent the German budget deficit from growing. Unemployment tops 30% as 250,000 desperate Germans commit suicide from 1930-32!

In addition to a Parliamentary Reichstag and a Chancellor, Germany has a President with unique powers. President Paul von Hindenburg was a World War I Field Marshall and is a national hero. Politically, he is a non-Party Independent. On the basis of NSDAP’s 196 seats, and in order to end the gridlock, Hitler asks President Hindenburg to appoint him as Chancellor. Hindenburg refuses Hitler’s request.
CHAPTER 4

1933 - 1939

THE RISE OF HITLER AND THE PLOT TO TAKE HIM DOWN
After two parliamentary elections in 1933, Germany remains ungovernable as the Socialist and Communist Parties continue to oppose the NSDAP. President Hindenburg is concerned that the Reds will exploit the chaos and attempt another revolution in Germany. Hitler and the NSDAP are the only ones who can prevent this.

To protect Germany from Communism, Hindenburg relents and appoints Hitler as Chancellor of Germany. Hitler’s powers are limited, but the NSDAP now holds the upper hand in what is still a very unstable government.

Four weeks after Hitler’s appointment as Chancellor, angry Reds set the Reichstag (Parliament) on fire. Local police catch a Dutch Communist named Marinus Vander Lubbe on the premises. He had just arrived in Germany a few weeks ago. The fire was to have been the start of the Red-instigated civil war, aimed at toppling the crumbling Weimar state before Hitler and NSDAP can establish themselves.

Hindenburg and Hitler act fast. Emergency decrees are issued and Communist leaders are rounded up. The Red Revolution backfires. Instead of plunging Germany into civil war, the Reichstag Fire starts a chain of events that leads to the The Enabling Act and Hitler’s consolidation of power. NSDAP becomes Germany’s only Party as the Weimar Republic of Versailles is replaced by The Third Reich, led by “The Fuehrer” (leader).

Modern historians promote the theory that Hitler staged the fire himself and then blamed the Reds for it. There is no evidence at all to support this theory, a baseless claim that ignores both the violent history, as well as the standard destabilization tactics that the Communists are well known for.
MARCH, 1933 /FDR BECOMES PRESIDENT AND SERVES THE NEW WORLD ORDER

New York Governor and Globalist puppet Franklin Delano Roosevelt, (FDR) defeats President Hoover in a 1932 landslide. Upon taking office in ‘33, the CFR Democrat (a cousin of TR) moves quickly to remake America into a socialistic welfare state. His expensive schemes, known as "The New Deal" take shape in "the first 100 days".

FDR uses the economic crisis as the pretext for this expansion of government power, ignoring the fact that it was the Fed's artificial manipulation of currency and stocks, not the free market that caused the crisis.

The New Deal will be a colossal failure. It's reckless spending, high taxes, and ballooning deficits will only prolong the Depression and lead to even more expensive schemes, exactly what the Globalist Fed bankers want. The debt driven economic collapse that the US is headed towards today has its roots in FDR's fundamental transformation of the U.S. system.

MARCH, 1933 /HITLER BECOMES FUEHRER AND DEFIES THE NEW WORLD ORDER

Like FDR, Hitler came into true authoritative power in March 1933. Like FDR, Hitler inherits an economic disaster. Like FDR, Hitler's "first 100 days" in office are known for a flurry of determined activity. But the similarities end there! Whereas FDR is implementing all of the Globalists' economic and foreign policy plans, Hitler is openly defying the Globalists. Hitler implements the following policies:

* Pulls Germany out of the League of Nations
* Bans the Communist Party and arrests its leaders
* Replaces the national Marxist Trade Unions with company unions.
* Establishes NSDAP as Germany's only political Party
* Refuses to make any more reparations payments from the Versailles Treaty/Dawes Plan
* Takes control of Germany's Reichsbank and issues debt free currency
* Restricts Jewish ownership of radio and newspapers
* Cuts taxes and provides tax incentives for mothers to stay home and raise their children
* Rebuilds German infrastructure and initiates projects like the Autobahn Highway system,

The Globalists & Zionists have lost control of Germany!
MARCH, 1933 / INTERNATIONAL JEWRY DECLARES WAR ON HITLER’S GERMANY

Jewish leaders formally issue a “Declaration of War” against Germany. On March 23, 1933, 20,000 Jews protest at New York’s City Hall. Rallies and boycotts are directed against German goods. The front page of the March 24, London Daily Express carries the headline: Judea Declares War on Germany.

Jewish leaders are quoted as calling for “Holy War” against the entire German people. The article reveals:

"The Jewish wholesaler will quit his house, the banker his stock exchange, the merchant his business and the beggar his humble hut, in order to join the holy war against Hitler’s people. ....Germany is now confronted with an international boycott of its trade, its finances, and its industry."

Some people in Germany respond to the International Jewish boycott by boycotting Jewish stores themselves.

MARCH, 1933 / 40,000 JEWS AND REDS PACK NEW YORK’S MADISON SQUARE GARDEN TO PROTEST HITLER

On March 27, ’33, 40,000 Jews and other assorted Reds gather in Madison Square Garden to protest the new Chancellor. The NY Daily News front page blares: "40,000 Roar Protest Here Against Hitler."

Worldwide Jewish leadership is firing the opening propaganda shots of what, in due time, will escalate into World War II.

Hitler responds to the charges being made against the new Germany, stating on March 28: "Lies and slander of positively hair-raising perversity are being launched against Germany."
International Jewry openly declares war on Germany!

JUNE, 1933 / ZIONIST – GLOBALIST FED CHAIRMAN BUYS THE WASHINGTON POST!

The Washington Post is one of many businesses to go bankrupt during the Great Depression. Owner Ned McLean unloads The Post at a bankruptcy auction. The buyer is Zionist Federal Reserve Chairman Eugene Meyer (CFR). Having just stepped down from the Fed, Meyer immediately changes The Post’s editorial policy, transforming the influential newspaper into a pro-FDR, anti-Germany, and soft-on-Stalin propaganda sheet. Meyer fires the current editor for refusing to endorse diplomatic recognition of the Soviet Union.

The Post will lose money for 20 more years. But Meyer doesn’t care. He bought the Post for influence, not profit. The Post will later be handed down to Meyer’s daughter, the late Katherine Meyer-Graham, and it is run today by her son, Donald Graham.

With tension between International Jewry and Germany building, it is ESSENTIAL to note that the four most powerful media sources are now ALL under Jewish ownership. (CBS Radio-Paley, NBC Radio-Sarnoff, NY Times-Ochs/Sulzberger, Washington Post-Meyer)
NOVEMBER, 1933 /FDR GRANTS DIPLOMATIC RECOGNITION TO THE SOVIET UNION (USSR)

Ever since the Communists seized power in Russia, three consecutive US Presidents have refused to recognize the criminal regime. Apart from its mass murderous actions towards its own captive people, the Soviet run Communist International (Comintern) openly states that its’ goal is to overthrow all “bourgeois” governments, including the US government.

FDR ignores these realities and pleases his Globalist masters by reversing this policy. The normalization of relations is a great benefit to the USSR, and will help the Soviets, and international communism, to grow stronger.

As Hitler’s Germany continues to be vilified for imaginary offenses, the real crimes of Stalin/Kaganovich are totally ignored by the Jewish media!

FEBRUARY 4, 1936 /THE MURDER OF WILHELM GUSTLOFF

Wilhelm Gustloff founded the Swiss branch of the NSDAP in 1932. A Jewish student named David Frankfurter, heeding the worldwide call for Jewish "Holy War" against the German people, visits Gustloff’s home. Hedwig Gustloff shows the killer into the study, asking him to wait since her husband was on the telephone. When Gustloff comes to meet his unexpected guest, Frankfurter draws his pistol and shoots him 5 times. Hedwig screams and cries hysterically.

Germans and German Swiss are outraged at the murder. Hitler attends Gustloff’s funeral and then names a luxury ship, christened by his widow, in Gustloff’s honor. The Swiss sentence Frankfurter to 18 years, but he will be pardoned after World War II, before moving to Israel. In 1945, on what would have been Gustloff’s 50th birthday, the ship named after him will make history as the greatest sea disaster ever.
It has been 3 years since Hitler began instituting his program for economic recovery. It is now the most stunning economic revival in world history. While the world remains mired in the Depression, Germany’s once dead economy booms.

Unemployment, which had been at 30% a few years ago, is now under 5%. Productivity is way up, as are wages. By freeing Germany from the heavy taxation of the Weimar Republic, the cruel burden of the Versailles Treaty, and the perpetual interest costs of Weimar’s debt-based Central Bank currency, Hitler has unleashed the private economy while using public spending very wisely.

Unlike FDR’s wasteful public works programs, Hitler’s public works are useful investments, such as the national highway system which Hitler started building in 1933 (The Autobahn). Hitler himself, who was a great admirer of Henry Ford, sketched the original prototype for the Volkswagen (The People’s Wagon). He wanted every family to be able to buy a car and take a vacation. Low taxes, lean government, debt-free currency, and a business friendly environment are the secrets of Hitler’s economic miracle, and of his universal popularity among a grateful German people.

Along with economic revival, the re-born Germany experiences a cultural and moral rebirth. The NSDAP, whose membership is open to all Germans of sound moral character, cleans up the pornography and debauchery that thrived under the Weimar State. Classic art makes a comeback, as "modern art" is relegated to its proper status as an object of ridicule. The future is looking bright for Germany. Before the German model can spread to other nations, the dark forces of The New World Order must destroy it.

Hitler and the people of re-born Germany share an intense love for each other. By 1936, support for Hitler in Germany is universal. Even the formerly pro-Marxist liberals have been won over by his accomplishments! Photos and films of happy Germans and of Hitler smiling are deliberately censored by the Zionist-Globalist media.
"It is not the Germany of the decade that followed the war- broken, dejected and bowed down with a sense of apprehension and impotence. It is now full of hope and confidence, and of a renewed sense of determination to lead its own life without interference from any influence outside its own frontiers. One man has accomplished this miracle. He is a born leader of men. A magnetic and dynamic personality with a single-minded purpose, a resolute will and a dauntless heart.

"As to his popularity, there can be no manner of doubt. The old trust him; the young idolize him. It is not the admiration accorded to a popular leader. It is the worship of a national hero who has saved his country from utter despondence and degradation.....I have never met a happier people than the Germans."

- David Lloyd George, Ex-Prime Minister, UK, 9-17-36
The 1936 Olympics had been awarded to Germany before Hitler became Chancellor. So despite the protests of Jewish groups, it is too late to take the games away. The games showcase the new Germany. Visitors are impressed at the spirit and positive outlook of the German people. Germany wins more medals than any other nation, but black American Jesse Owens is the biggest star of the games.

The German crowd cheers wildly for Owens as he wins 4 Gold Medals as both a sprinter and long jumper. The Zionist media uses Owens to vilify Hitler. It was reported then, and repeated endlessly ever since, that Hitler "snubbed" Owens because he was black, storming out of the stadium in a fit of rage when Owens won his first race. This "snub" makes Hitler seem petty and rude in the eyes of the world. But the story of the Owens' "snub" is a big lie.

Owens himself confirms that the "snub" story is a hoax, stating, "When I passed the Chancellor, he arose, waved his hand at me, and I waved back. I think the writers showed bad taste in criticizing the man of the hour (Hitler) in Germany. Years later, in his autobiography, Owens again clarifies, "Hitler didn't snub me - it was FDR who snubbed me. The president didn't even send me a telegram."

Nationalist General Francisco Franco leads a rebellion against a democratic socialist government in Spain. The country is deeply divided, with Socialists, Communists, and liberals fighting for the government, and Nationalists, conservatives, and the Catholic Church favoring Franco. The war becomes a proxy war between Nationalism and Globalism. Germany, Portugal and Italy provide military aid to Franco. Stalin sends arms to the Spanish government. The Comintern sends volunteers to fight for the Spanish regime. As usual, Red fighters commit atrocities against civilians, such as setting fire to the wives and children of Nationalist officers after dousing them with petrol.

Determined to stamp out Christianity, they rape nuns, torture priests, and set fire to churches with the worshippers locked inside. The Spanish Civil War ends in victory for Franco's Nationalists, but the war between Globalism and European Nationalism is only just beginning.
DECEMBER 10, 1936 / THE PRO-HITLER KING OF ENGLAND IS FORCED TO ABDICATE HIS THRONE

England's King Edward VIII is an admirer of Adolf Hitler. This creates a dilemma for the Globo-Zionists who wish to instigate a war with Germany. Six months into his reign, there is an assassination attempt against him. Jerome Bannigan produces a loaded revolver near the King. After being quickly pounced upon by police and arrested, he claims to have been recruited by "a foreign power". Weeks later, Eugene Myers' Washington Post reports that Edward plans to marry an American woman who has still not divorced her husband. British politicians use the "crisis" to squeeze Edward out, giving him a choice between Ms. Wallis Simpson, or abdicating his thrown. As the story goes, it is for love of Ms. Simpson that Edward gives up the throne. The real reason for the silent coup is concealed from the public.

Hitler will later state, "I am certain through him permanent friendly relations could have been achieved. If he had stayed, everything would have been different. His abdication was a severe loss for us." With Edward gone, the Globalists proceed with plans to wage war on Germany. Edward is replaced by his stuttering, stammering idiot brother - George VI - ("The King's Speech"), who will spend the coming war years making 'patriotic' radio speeches.

MAY 6, 1937 / THE HINDENBURG DISASTER /

The Hindenburg Airship, named after the man who helped Hitler become Chancellor, is the pride of Germany's fleet. American crowds marvel as the air-ships passes over New York, saluting them with the German "Sig Heil". The airships are designed to float using Helium But after FDR's Zionist Interior Secretary Harold Ickes slaps a Helium embargo on Germany; the Zeppelins are redesigned with highly flammable Hydrogen instead. The moment Hindenburg begins to dock in Lakehurst, NJ, it bursts into flames and crashes, killing 35 of the 97 passengers. "Static electricity" is blamed, yet Hindenburg had previously endured direct lightning hits! The cause of the explosion remains unknown to this day. But The unusual amount of news reel cameras present that day, the Helium embargo, the timing of the mysterious ignition as the ship is mooring, the hyping of the idiotic "static electricity" theory, and the anti-German hysteria being whipped up by the press, suggest that the Hindenburg disaster was actually an act of sabotage. The incident shatters confidence in Germany's airships and marks the end of the airship era.
JULY, 1937 / WAR BREAKS OUT BETWEEN CHINA & JAPAN

The **Japan-China War** starts when the Japanese claim that to have been fired on by Chinese troops at the Marco Polo Bridge near Beijing. Tensions escalate and Japan launches an invasion of China using Japanese bases in Manchuria as a launching point. Manchuria is rich in resources and has strategically vital ports on the Sea of Japan. It is located in Northeastern Asia, bordering China, Korea, and also western Russia. Manchuria was once Chinese controlled, then part of the Russian Empire. Japan won Manchuria from Russia in the war of 1905, but Nationalist Chinese still view Manchuria as historically Chinese.

The Japan-China war blends into the ongoing Chinese Civil War raging between the Chinese Communists and the Chinese Nationalist government. At the same time that Japan is fighting the Chinese nationalists (**led by Chiang Kai Shek**) the Japanese must also fight the guerilla Reds (**led by Stalin's agent Mao Tse Tung**).

**It's Japan vs. China Reds vs. China Nationalists in a 3 - way Far Eastern Battle Royale** that will shape the course of Asian, and world history.

NOVEMBER 25, 1937 / GERMANY & JAPAN AGREE TO AN ANTI-COMMUNIST DEFENSE PACT

Germany and Japan agree to the **Anti-Comintern Pact**, a mutual defense Treaty directed at the Soviet controlled Communist International. The pact states:

"recognizing that the aim of the Communist International, known as the Comintern, is to disintegrate and subdue existing States by all the means at its command; convinced that the toleration of interference by the Communist International in the internal affairs of the nations not only endangers their internal peace and social well-being, but is also a menace to the peace of the world desirous of co-operating in the defense against Communist subversive activities."

In case of an attack by the Soviet Union against Germany or Japan, the two countries agree to take measures "to safeguard their common interests". Mussolini's Italy will soon join the anti-Comintern and several other nations join later on. **Germany also invites Britain and Poland to join the Anti-Comintern Alliance. Both nations decline.**
The Anschluss refers to the voluntary incorporation of Austria into the German Reich. The merger with their Germanic brothers is supported by 99% of Austrians, but it is opposed by the puppet Austrian government instituted by the Allies after World War I. The Versailles Treaty broke up the Austro-Hungarian Empire and forbid the new nation of Austria from uniting with Germany. But after seeing the great success of Germany, there is no stopping the Austrians desire to unite with their happy brothers and sisters. Without a shot being fired, German forces move in unopposed and are greeted as liberators by the joyous Austrians. As a brotherly gesture towards the Austrians, Hitler invites Austrian troops to march inside of Germany as well.

When Hitler himself comes to visit the land of his youth, he is given a hero’s welcome by the frenzied Austrian crowds. Not surprisingly, the western Globo-Zionist media portray the joyful unification as “Germany conquers Austria.”

Lord Beaverbrook is the top newspaper mogul in Great Britain. His Daily Express is the most widely read newspaper in the world. During World War I, he served as UK’s Minister of Information.

In a private letter written in 1938, Lord Beaverbrook voices concern over Jewish influence leading the UK towards war with Germany. He writes:

“There are 20,000 German Jews in England – in the professions, pursuing research. They all work against an accommodation with Germany.” In a subsequent letter he adds:

“The Jews have got a big position in the press here. ... At last I am shaken. The Jews may drive us into war.”
When the Treaty of Versailles dismantled Austria-Hungary, it combined Czechs, Slovaks, and Germans into an artificial state called "Czechoslovakia". The German region (Sudetenland), lies south of Germany and has 3.5 million inhabitants. Like the Austrians, The Sudetenlanders also wish to unite with the Reich. But Czechoslovakia's secret Communist President, Edward Benes, will not allow them to. The Sudetenland Germans are severely mistreated by the Globalist owned state of Czechoslovakia.

To resolve the matter peacefully, Hitler calls for a conference in Munich, with England, France, and Italy. The parties agree that the German Sudetenland should rightfully be a part of Germany, and that the Slovaks will have their own state (Slovak Republic 1939-1945). When the artificial Czechoslovakian state then dissolves, Germany establishes autonomous protectorates over what remains (Bohemia and Moravia). Again, without a shot being fired or a drop of blood being shed, Germans are welcomed into the Reich while other ethnic groups are given their own states - a win-win for everybody!

As was the case in Austria, Hitler receives a hero’s welcome upon visiting the Sudetenland. UK Prime Minister Neville Chamberlain applauds the deal as "peace in our time." But his rival, the drunken cigar chomping Winston Churchill, and the Jewish Press denounce the deal as "Hitler’s latest conquest". Simply for agreeing to what was fair and just, Neville Chamberlain has since been unfairly branded by history as "an appeaser". In fact, a Google search of the term "appeasement" yields pages and pages of references to poor Neville Chamberlain!

Ernst vomRath is a 29 year old German diplomat stationed in Paris. In a repeat of the how Swiss Jew David Frankurter had asked to speak to Swiss NSDAP head Wilhelm Gustloff before killing him in 1936, a Polish Jew named Hershel Grynspan arrives at the German embassy, asking to speak to a member of the diplomatic staff. When vomRath comes to greet the visitor, Grynspan draws his pistol and murders him in cold blood. By now, the Germans have had enough of the Jewish inspired boycotts, warmongering, and murders aimed at them. News of the latest murder triggers a wave of rioting and vandalism directed at Jewish shops and businesses. Hitler orders the violence to cease immediately and it stops after the first night.

The night of violence, referred to by Jews as "Kristallnacht" (Night of the Broken Glass), is hyped by the western media. Kristallnacht is whined about to this day. But the repeated agitation boycotts, and murders which provoked German resentment are never mentioned.

“This new and complete Revolution we contemplate can be defined in a very few words. It is outright world-socialism; scientifically planned and directed.”

 Countless people will hate the new world order and will die protesting against it. When we attempt to evaluate its promise, we have to bear in mind the distress of a generation or so of malcontents. .....The term Internationalism has been popularized in recent years to cover an interlocking financial, political, and economic world force for the purpose of establishing a World Government.”

Jewish scientist Albert Einstein had left Germany shortly after Hitler came to power. He had achieved world fame in the press for his unproven “Theory of Relativity”, which itself was plagiarized from the work of an Italian physicist. Einstein is an outspoken advocate of world government and is linked to numerous Communist front groups in Germany.

While Europe is still at peace, Einstein (at the urging of lesser known Jewish scientists) writes a letter to FDR in which he describes the power of a potential atomic bomb. He falsely accuses Germany of working on such a weapon, and urges FDR to fund research into building atomic bombs. Though not stated so directly in the letter, it is clear that Mr. Einstein hopes to one day murder millions of Germans with this devilish weapon.
Like Bismarck before him, Hitler understands how the dangers of British & French intrigue can again entangle Germany into a dangerous 2-front war. To alleviate the threat in the east, German Foreign Minister Ribbentrop and Russian Foreign Minister Molotov sign the Molotov-Ribbentrop Non-Aggression Pact.

Hitler understands very well what kind of monster Stalin is, but he hopes that if he can at least keep the peace with the USSR, the scheming warmongers of Britain and France can be checked. Western Globalists are annoyed with Stalin over this peace pact with Germany. But Stalin has his own plans, and his own timetable.

Rather than fight Germany now, Stalin would rather see Germany and the Anglo-French Alliance weaken each other first, in preparation for the day when his Red Army can then take all of Europe.
CHAPTER 5

1939 - 1941

WORLD WAR II (From Poland to The Eve of Pearl Harbor)
**1939 /HITLER ATTEMPTS TO PEACEFULLY RESOLVE DISPUTE OVER THE ‘POLISH CORRIDOR’**

The “free city” of Danzig is 95% German. Along with its surrounding German area of East Prussia, Danzig was isolated from the German mainland by the Versailles Treaty. Formerly German territory now belongs to Poland, cutting right through the Prussian/Pomeranian region of Germany. As had been the case with Germans stranded in Czechoslovakia, the Germans in Poland (those not expelled in 1919) are a persecuted minority.

Hitler tries to solve the problem of the "Polish Corridor" peacefully. He proposes that the people living in Danzig, and the “corridor” be permitted to vote in a referendum to decide their status. If the region returns to German sovereignty, Poland will be given a 1 mile wide path, running through Germany to the Baltic Sea so that it would not be landlocked.

The Poles consider Hitler’s solution, but behind the scenes, Poland is urged by FDR to not make any deals with Germany. When it becomes apparent to Hitler that Poland will not allow a referendum, he then proposes another solution – international control of the formerly German regions. This sensible offer is also ignored. The Globalists intend to use foolish Poland as the match which ignites World War II.

**AUGUST 25, 1939 /BRITAIN & POLAND AGREE TO A MILITARY ALLIANCE**

The Polish-British Common Defense Pact contains promises of British military assistance in the event that Poland is attacked by another European country. This builds upon a previous agreement (March 1939) between the two countries, and also France, by specifically committing to military action in the event of an attack.

With this agreement, powerful Zionist-Globalist forces in the UK have now trapped the reluctant Prime Minister Neville Chamberlain, as well as France and Poland. All that is left to do now is for Polish-Jewish border thugs to deliberately provoke Germany into action and get the ball rolling.

**FORBIDDEN HISTORY: QUOTE TO REMEMBER**

"Chamberlain (speaking off the record to Ambassador Joseph Kennedy while playing golf) stated that America and the world Jews had forced England into the war".

*(The Forrestal Diaries ed. Millis, Cassell1952 p129)*
Overestimating their strength, underestimating German strength, and knowing that France and the UK would now be forced to back them, Polish-Jewish terrorists cross the border and attack a German radio station in Silesia, Germany. It is actually the latest in a string of deliberate border instigations against Germany.

The "Poles" then broadcast a message (in Polish) urging others to take up arms and start attacking Germans. German police quickly arrive and retake the station, killing one of the Red terrorists.

Jewish Red terrorists, their Polish government protectors, and their Globalist-Zionist masters have picked a fight with Germany!

Modern historians claim that the Gleiwitz incident was staged by Germans dressed as Polish terrorists. But as is the case with the Reichstag Fire conspiracy theory, they offer no evidence, (beyond a forced “confession” obtained after the war) to support this theory – a theory that ignores the outrageous and repeated pattern of provocations directed at Hitler's Germany ever since 1933, the numerous border incidents, and also Hitler’s sincere attempts to negotiate a fair resolution to the Corridor and Danzig controversies.

FORBIDDEN HISTORY - QUOTE TO REMEMBER

"I lived in Germany during the 1980's when many people who lived during the war were still alive. I sought out anyone who lived near Poland in 1939 and was lucky enough to meet several people. One was a customs official who said it was so bad on the border they were armed and also had grenades in their office ready for attacks. Another told me his farm animals were often stolen by Polish (Jewish?) terrorists. Another told of his niece being raped by a Pole (Jew?) who crossed the border. He told me in 1940 they caught the man and showed me a copy of the death order signed by Heydrich, in which he ordered the man put to death.

This is just one of many stories told to me by German civilians who witnessed these border incursions just like had happened in 1919-1928. One thing many people fail to see is that Poland openly attacked Germany right after World War I, which led to many border battles. Once Germany started pressing Poland to work out a solution to the corridor, the attacks started again. And one thing that is clear to me is that Germany did not make up these attacks."

Germans troops arrive to the rescue.  
Zionist Press portrays Germany as the aggressor.

World War AGAIN as Britain & France declare war  
Bromberg: Polish Jews massacre German civilians.
With the Polish army being routed by the advancing Germans in the west, Stalin cleverly decides to break the Soviet-Polish Non Aggression Pact of 1932. Poland is stabbed in the back as Soviet forces pour in from the east. The advancing Reds carry out massacres, the most infamous being the Katyn Forest Massacre in which 10,000 Polish Army officers are shot in the head.

Other than the pre-Versailles German areas which Germany will reclaim, the Soviets will take all of Poland. In a shocking double-standard, the anti-German Globo-Zio press, FDR, France & the UK remain oddly silent about this brutal Soviet aggression.

Poland appeals to Britain for help, citing the Poland-British Defense Pact just signed a few weeks ago! The Polish ambassador in London contacts the British Foreign Office pointing out that clause 1(b) of the agreement, which concerned an "aggression by a European power" on Poland, should apply to the Soviet invasion. The UK Foreign Secretary responds with hostility, stating that it was Britain's decision whether to declare war on the Soviet Union!

The truth is, the Allies don't give a rat's ass about Poland. They only used its foolish ultra-nationalist leaders to instigate Hitler so that they could have their war. The horror that Poland will suffer under Soviet occupation is Poland's problem, not Britain's!

Within a few weeks, the German-Polish War is already over. Hitler receives a hero's welcome upon his arrival in liberated Danzig. Hitler addresses the Danzig crowd:

“No power on earth would have borne this condition as long as Germany. I do not know what England would have said about a similar peace solution (Versailles) at its expense or how America or France would have accepted it.

I attempted to find a tolerable solution - even for this problem. I submitted this attempt to the Polish rulers in the form of verbal proposals. You know these proposals. They were more than moderate. I do not know what mental condition the Polish Government was in when it refused these proposals. ....As an answer, Poland gave the order for the first mobilization. Thereupon wild terror was initiated, and my request to the Polish Foreign Minister to visit me in Berlin once more to discuss these questions was refused. Instead of going to Berlin, he went to London.”

Liberated Germans welcomed Hitler to Danzig.
The German-Polish War has ended quickly. There is nothing that the Allies can do help their Polish puppet. The French actually invade Germany on September 7th, advancing 8 km before stopping. The quiet period between the end of the Polish war until May 1940, is dubbed by a US Senator as "The Phony War."

During this time, Hitler pleads for the Allies to withdraw their war declarations. Towards France he declares: "I have always expressed to France my desire to bury forever our ancient enmity and bring together these two nations, both of which have such glorious pasts."

To the British, Hitler says: “I have devoted no less effort to the achievement of Anglo-German friendship. At no time and in no place have I ever acted contrary to British interests....Why should this war in the West be fought?"

Hitler’s pleas for peace are ignored as the allies amass 600,000 troops in Northern France! Plans are openly discussed to advance eastward upon Germany, via Belgium and Holland, as well as establishing operations in neutral Norway and Denmark, with or without their consent.

The Neutrality Acts prohibited the United States from selling arms to warring nations. The purpose of these acts was to prevent the US from again becoming involved in Europe’s wars.

Throughout the 1930’s, FDR and his Zionist advisor Bernard Baruch (who had also been an advisor to Woodrow Wilson), anticipating a new war against Germany, had unsuccessfully tried to amend the previous Neutrality Acts. Soon after Germany and Poland began fighting, FDR again urges Congress to repeal the Neutrality Acts.

In November of ’39, a new Neutrality Act is passed. The sale of arms to the UK is now legal. The scheming FDR has taken a big step towards involving the US in a war that his Zio-Globo handlers have long been agitating for
NOVEMBER 30, 1939 / SOVIET UNION INVADES FINLAND

Just two months after swallowing Poland, Stalin launches an invasion of Finland. As he had with Poland, Stalin breaks another 1932 non-aggression pact he had agreed to; The Soviet-Finnish Non Agression Pact of 1932.

The invasion is massive, with 21 Soviet divisions consisting of 450,000 Red Army troops. Stalin expects to overwhelm Finland in a matter of weeks and install a government of Finnish Communists currently waiting in Moscow, but the brave and outnumbered Finns stage a heroic defense of their homeland. The "Winter War" is an embarrassment for Stalin. A treaty is signed the following March, but the Finns are forced to give up 10% of their territory.

Stalin has now broken two non-aggression treaties and annexed territory from both betrayed parties (Poland & Finland). The "International Community" verbally condemns the Soviet invasion and makes some symbolic economic gestures, but once again, there are no calls for boycotts, nor any declaration of war against the USSR as there was against Germany.

APRIL 9, 1940 / GERMANY IS FORCED INTO PRE-EMPTIVE, LIMITED OCCUPATIONS OF NORWAY & DENMARK

The Allied plan of attack is to disrupt Germany’s iron ore imports from Sweden by illegally mining Norwegian waters, and then occupying the important Norwegian port of Narvik. Plans are also made for imposing a base of operations in Denmark, Germany’s neutral neighbor to its north.

A Norwegian politician named Vidkun Quisling confirms the existence of these Allied plots (Operation Wilfred and Plan R 4). Sympathetic to Germany, and not wanting his country to become a battlefield, Quisling informs Hitler of the Anglo-French plot to wage war from the two Scandinavian countries.

Germany moves quickly to secure the Norwegian port of Narvik before the British can place their mines, and also to occupy Denmark. German diplomats assure the leaders of both Scandinavian nations that Germany seeks neither conquest nor interference in internal affairs. Life under limited German occupation goes on quietly for the Scandinavians during the war. Quisling’s name is now a dictionary word in the English language, synonymous with “traitor” – a totally unfair characterization.

Vidkun Quisling was a patriot - not a traitor.
The British invasion of tiny, neutral Iceland is code named "Operation Fork." It begins on May 10, 1940 (the same day that Churchill comes to power!) with British troops disembarking in the Capital City of Reykjavik. The British quickly move inland, disabling communications networks and securing landing locations. The government of Iceland protests the violation of their neutrality, but to no avail.

This force is then subsequently augmented, to a final strength of 25,000. The recently thwarted British occupations of neutral Denmark and Norway, and the successful occupation of neutral Iceland, show that Rothschild Britain is the true aggressor of the coming war. Although FDR, up until December 1941, promises that America will remain non-belligerent, 30,000 US troops will relieve the British and occupy Iceland in the Spring of 1941.

With the preparations for war in place, the reluctant warrior Neville Chamberlain is pushed aside as the lunatic, drunken, cigar chomping Winston Churchill takes his place.

Churchill’s record of treason already includes the World War I sinking of the Lusitania (when he was Lord of the Admiralty). Churchill, and his wealthy London (and New York) Zionist backers, have been advocating for war with Germany for the past 6 years. His warmongering had made him an outcast in British politics. But now, with the Zionist press of Britain misrepresenting the facts surrounding the German-Polish War, Churchill is portrayed as some sort of wise prophet.

Hitler knows very well who Churchill is, and who he works for. He has even referred to Churchill in past speeches as part of Britain’s “government of tomorrow”. With Chamberlain gone and Churchill now in power, Hitler now knows for certain that “the Phony War” is about to become very real.

FORBIDDEN HISTORY - QUOTE TO REMEMBER

"I emphasized that the defeat of Germany and Japan and their elimination from world trade would give Britain a tremendous opportunity to swell her foreign commerce in both volume and profit." - Baruch, The Public Years, by Bernard M. Baruch, p.347
Hitler’s pleas for peace have been repeatedly ignored as approximately 600,000 British and French troops have been massed in northern France.

The massive attack against Germany is to come through the countries of Belgium and The Netherlands (Holland), whose governments are under intense Allied pressure to allow safe passage for the planned Allied invasion of Germany.

Again, Hitler's hand is forced.

On the same day that Churchill comes to power, and that the UK invades Iceland, as an act of national self-defense, Germany takes the fight to the Allies before they can bring it to German soil and reinstitute a 2nd Versailles Treaty.

In a stunning advance westward, the German Blitzkrieg quickly overtakes the smaller nations, and pushes the Allied armies into a full retreat towards the beaches of northern France.

The Globo-Zionist press, as well as today’s history books, portrays the Blitz as “the conquest of Holland, Belgium, and France.” But the menacing presence of the 600,000 Allied troops on Germany’s frontier is conveniently ignored.

With the eyes of the world focused on events in Western Europe, Stalin continues to expand his Evil Empire. The Reds annex the tiny defenseless Baltic states of Latvia, Lithuania, and Estonia. Stalin also annexes parts of eastern Romania.

The Soviet Union has now invaded 6 countries in just 9 months!

Yet, the western Globalists only remain obsessed with attacking Germany, whose leader continues to plead for peace.
As a Sign of Friendship, Hitler Allows the Allied Armies to Escape at Dunkirk

After Germany’s stunning advance, the Allies are trapped on the beaches of Dunkirk, France. The entire force can be easily captured, but Hitler issues a halt order. As a show of good faith towards his western tormentors, Hitler believes that the British will be more likely to make peace if they can escape with their dignity intact.

A massive boat lift involving British fishermen ferries the troops across the English Channel back to England.

The Globalist Press maliciously spins Hitler’s gracious act as a “miraculous escape right under Hitler’s nose.”

The cigar chomping, Zionist owned, alcoholic Winston Churchill vows to keep fighting as he frightens the British population with tales of imminent German invasion.

Forbidden History - Quote to Remember

"He (Hitler) then astonished us by speaking with admiration of the British Empire, of the necessity for its existence, and of the civilization that Britain had brought into the world. ....He compared the British Empire with the Catholic Church saying they were both essential elements of stability in the world. He said that all he wanted from Britain was that she should acknowledge Germany’s position on the Continent. The return of Germany’s colonies would be desirable but not essential, and he would even offer to support Britain with troops if she should be involved in difficulties anywhere."

- German General von Blumentritt

A gracious act by Hitler allows the trapped British soldiers to escape from Dunkirk.
JUNE, 1940 /AFTER GERMANY’S DEFEAT OF THE ALLIES, MUSSOLINI’S ITALY JOINS THE WAR!

Upon seeing Germany’s stunning victory in 1940, Benito Mussolini, the opportunistic, ego-driven Leader of Italy, ends Italy’s neutrality and allies himself with Germany. He declares war upon France (which was already beaten and occupied) and also upon the UK, (which is already being chased out of Europe at Dunkirk).

Unlike Hitler’s defensive war, Mussolini dreams of conquest, hoping to restore a new Roman Empire in North Africa. But his reckless adventures will prove to be very costly to Hitler. In August of ’40, Italy occupies British Somaliland in East Africa. In September, Italy invades Egypt, which has been occupied by the British since a 1936 Treaty to protect the Suez Canal.

In picking a fight with Britain, Mussolini bites off far more than the unimpressive Italian military can chew. The superior British land and naval forces dominate their Italian adversaries, giving Churchill a potential continental opening to invade a now non-neutral Italy from North Africa.

JUNE 22, 1940 /THE NEW GOVERNMENT OF FRANCE MAKES PEACE WITH GERMANY

As the fleeing French government collapses, the Germans enter undefended Paris on June 14 ’40. The new government is headed by the World War I hero Marshal Philippe Petain, who agrees to make peace with Germany.

Unlike the brutality of The Versailles Treaty, the terms of this Armistice are very light, requiring only that Germany continues to occupy northern France as a defensive measure against a British invasion of the continent. The new French government has its administrative offices in the southern city of Vichy. Other than the strategic occupation in the north, France remains a sovereign nation. Life in occupied France goes on quietly. German soldiers establish an excellent reputation for good behavior, and charm with the French ladies.

Meanwhile, back in England, Churchill and French General Charles De Gaulle fume over Marshal Petain’s unwillingness to continue fighting. Hitler wants Petain ally his country with Germany, but Mussolini’s stab-in-the-back war declaration upon France leaves such a bitter taste in the mouths of Frenchmen that they cannot possibly join a German-Italian alliance.
JULY, 1940 / CHURCHILL LAUNCHES AERIAL BOMBARDMENT CAMPAIGN AGAINST GERMAN CIVILIANS

With British ground troops having been chased off of the European mainland, Churchill and his London/New York Banking Bosses can only continue the fight over air (and sea). The British Royal Air Force is ordered to bomb civilian areas. Churchill hopes to provoke a similar response from Hitler so that he and FDR can point to “German bombing of civilians.”

In a July, 1940 memo to the Minister of UK Air Craft production, the beast Churchill writes:

“When I look around to see how we can win the war I see that there is only one sure path. We have no Continental army which can defeat the German military power... there is one thing that will bring him (Hitler) down, and that is an absolutely devastating, exterminating attack by very heavy bombers from this country upon the Nazi homeland. We must be able to overwhelm them by this means, without which I do not see a way through.”

The notorious drunk will bomb German civilian areas seven times, including Berlin neighborhoods. But Hitler refuses to do the same. German bombers are under strict orders to limit their attacks to military/industrial targets only. Finally, on September 4, ’40, Hitler is forced to openly declare that any more British bombings of civilian areas will be met with a similar response. When the German Air Force drops its first bombs on British civilian areas, the world press declares “Germany Bombs Civilians.”

As he had done with the orchestrated sinking of the Lusitania in 1915, Winston Churchill has once again deliberately brought on the deaths of innocent men, women, and children in order to achieve political goals.

SEPTEMBER 1940 / ‘AXIS’ NATIONS GERMANY, ITALY, & JAPAN SIGN ‘TRI-PARTITE PACT’ / HOPE TO KEEP THE U.S. OUT OF THE WAR

Understandably, Germany and Japan are equally suspicious of FDR’s true intentions. To discourage American military involvement in either Germany’s war with Britain, or Japan’s unrelated war with China, the two nations and Italy sign the “Tripartite Pact”.

Japan, Germany, and Italy agree to assist one another with all political, economic and military means if one of the contracting nations is attacked by a nation at present not involved in the European War or in the Japanese-Chinese conflict. The hope is that this pact will keep America out of the war. Ironically, the defense pact will end up actually facilitating FDR’s scheme to draw America in!
The Soviets have already annexed parts of anti-Communist Romania. The Red Army now sits dangerously close to the Ploesti oil fields, upon which Germany is dependent for energy.

Stalin is up to something in southeast Europe, and Hitler knows it. With the approval of Romania, German troops arrive to protect the oil fields from the Soviet threat.

Map above shows how vulnerable Germany (which by now includes Austria, & the dissolved state of Czechoslovakia), is from the southeast (soft underbelly of Europe).

The oil fields of eastern Romania can be easily attacked from Greece, Yugoslavia, or the USSR. It is from this area of Europe that Churchill and Stalin will play their "chess games" against Germany.
SEPTEMBER 16, 1940 / FDR INSTITUTES FIRST EVER PEACETIME DRAFT IN AMERICA

While publicly insisting that American boys "will not being going to foreign wars", FDR continues to secretly prepare for entry into the Globalists’ World War. FDR institutes a peacetime "Selective Service" Act which requires all males aged 26-35 to register for an upcoming draft "just in case". The actual draft begins in October 1940. The unlucky draftees are told that they will serve a 12 month term, based in either the Western Hemisphere, or a US territory.

By the summer of 1941, the deceitful FDR (who is planning to trick America into the war by way of a Japanese provocation) decrees that their terms to be lengthened. The outraged draftees protest FDR's broken promise, and threaten to desert when their 12 months are up. But most of them obey the new order and continue to serve past the promised October 1941 release date, and right up until the "surprise attack" upon Pearl Harbor in December of 1941.

This is the first, and only, peacetime draft in US history.

OCTOBER 28, 1940 / ITALY INVADES GREECE

Italy had occupied tiny Albania in the Spring of 1939. Mussolini now turns his ambitions towards Greece. Greece has very good relations with Germany, but Mussolini wants to claim the Ionian Islands from Greece. Italy’s invasion of Greece is completely unrelated to Germany’s war and creates an unexpected problem for Hitler.

The Greeks repel the invasion. The British then offer to send troops to assist Greece. Churchill now has an opening on the European mainland from which he can move north towards Germany, and eastward towards Romania and the crucial oil fields which supply Germany.
Throughout the Election year of 1940, nationalist Republicans warn that FDR is plotting to bring the US into war. Because the public is strongly opposed to entry in another war, FDR reassures voters that the “isolationists” are misrepresenting his intentions. During the campaign, FDR gives his famous “Again and again” speech:

“I say to you mothers and fathers and I shall say it again and again and again. Your boys will not be sent into any foreign wars.”

The Globalist wing of the GOP (Republican Party) hijacks the nominating process and puts up an unknown patsy, an “ex-Democrat” named Wendell Wilkie to run against FDR. Many Republicans are shocked when the GOP (supported by the media’s hype of Wilkie) anoints an unknown New York lawyer who never held any office.

Wilkie runs a half-baked campaign and loses badly. FDR is elected to an unprecedented 3rd (and later a 4th) term. Afterwards, FDR gives Wilkie a job as an Ambassador. In ‘43, Wilkie publishes a book entitled: One World.

The first units of the German 'AfrikaKorps' arrive to rescue the collapsing Italian war effort in February of 1941. General Erwin Rommel, known as the Desert Fox, commands the German force in North Africa. Rommel will eventually establish the upper hand in Africa, but this diversion of manpower and resources to Africa proves to be a costly hindrance for Germany.
MARCH, 1941 / U.S. ZIONIST THEODORE KAUFMAN PUBLISHES
‘GERMANY MUST PERISH’ / CALLS FOR EXTINCTION OF GERMAN RACE!

“Germany Must Perish” is a 104 page book published by an American Zionist businessman named Theodore Kaufman, in March of 1941. Kaufman calls for the complete extermination of the German people through forced sterilization, and the total dismemberment and reapportionment of German territory. The murderous hate starts out in the very opening lines of Germany Must Perish as follows:

“This dynamic volume outlines a comprehensive plan for the extinction of the German nation and the total eradication from the earth, of all her people. Also contained herein is a map illustrating the possible territorial dissection of Germany and the apportionment of her lands.”

Incredibly, at a time when America is supposedly "neutral", the hateful book is actually reviewed by The New York Times, Time Magazine and the Washington Post. Though not widely distributed in America, Germany Must Perish is read throughout Germany. Propaganda Minister Dr. Josef Goebbels states: “Thanks to the Jew Kaufmann, we Germans know only too well what to expect in case of defeat.”

‘Germany Must Perish!’ will inspire the frightened German people to fight harder. Kaufman's work, along with the deadly Jewish Partisan guerilla warfare against German troops, will contribute to Hitler’s decision to intern the Jews of Europe into wartime work camps in '41-'44.

1941 / FDR SIGNS ‘LEND - LEASE’ INTO LAW / UK TO BE SUPPLIED WITH U.S. MANUFACTURED ARMS

Britain is running short of arms and supplies as Germany continues to offer peace on terms favorable to Britain. Churchill will not listen to reason because, behind the scenes, FDR is reassuring him that the US will support the UK at all costs. With his successful re-election campaign of 1940 out of the way, FDR now becomes even bolder in confronting the anti-war “isolationists”.

The Lend-Lease program places the awesome industrial might of the US at the disposal of the UK, China, and later on, the USSR! The US is to be “the Arsenal of Democracy” says FDR. Britain will eventually receive $31 Billion worth of war supplies (about $500 Billion at 2012 prices!)
APRIL 6, 1941 /GERMANY BLOCKS BRITISH SCHEMES IN SOUTHERN EUROPE BY INVADING GREECE & YUGOSLAVIA

Though unrelated to Germany’s war, Mussolini’s foolish adventure in Greece creates a big problem for Hitler. As Italian forces meet stiff Greek resistance, Churchill uses the conflict as an opportunity to again establish armies on Europe’s mainland, in Europe’s “soft underbelly”. British troops arrive in Greece to help the Greeks in their fight against the Italians.

Hitler offers to mediate peace between Italy and Greece, but the Greeks (egged on by the British) won’t come to the table as more British troops keep arriving. During this period of time, British intelligence orchestrates a coup in Yugoslavia (March ’41). The new Yugoslavian regime immediately signs a “Treaty of Friendship” with the USSR.

Again, Hitler’s hand is forced. If he does not act now, the “soft underbelly” of Europe will be flooded with British troops destined for southern Germany, as well as the Romania’s oil fields, upon which Germany depends. On April 6, ’41, the Germans invade both Greece and Yugoslavia. The still small numbers of British troops are forced to evacuate, spoiling Churchill’s scheme to inflame southern Europe. Naturally, the Globalist media simplistically portrays these events as: “Hitler conquers Greece & Yugoslavia”.

MAY 10, 1941 /RUDOLF HESS PARACHUTES INTO SCOTLAND WITH AN OFFER OF PEACE!

Rudolf Hess is Germany’s Number 3 in command and a close friend of Hitler. In May of 1941, Hess (who is fluent in English) flies a solo mission over Scotland and parachutes in, carrying an offer of peace! He is hoping to link up with the Duke of Hamilton, who he had befriended at the 1936 Berlin Olympics, and convince his British acquaintance of Germany’s sincere desire for peace. But he is arrested instead. On Churchill’s orders, Hess is held in solitary confinement for the duration of the war.

After the war, Hess is “tried” at Nuremberg and then sentenced to life in East Berlin’s Spandau prison. With the liberalization of the USSR in the 1980’s, there is talk of finally releasing him. But he is said to have committed suicide in his cell in 1987. His family believes that the 93-year-old Hess was murdered so that the details of his peace mission would remain buried forever.
Long before the German-Polish conflict, FDR had waged a silent war against Germany. With Germany now in control the European situation, FDR is even more desperate to drag America into Britain's war. He relentlessly baits Hitler. To that end: the US impounds German ships, sinks German subs, freezes German, Italian, and Japanese financial assets, assists the British Navy in spotting and sinking The Bismarck (killing 2200 German sailors), and ships large amounts of arms to Britain. Hitler bears the humiliating provocations quietly; knowing that US entry into the war would be disastrous for Germany.

Realizing that Hitler will not take his bait, FDR further instigates the Japanese. The Axis Powers, (Germany, Japan, and Italy) are parties to a mutual defense pact (Tripartite Pact). An attack on one means war with all. FDR will turn the Tripartite Pact to his advantage.

As Germany and Britain exhaust each other in the air, at sea, and now North Africa, Stalin quietly gathers his massive Red Army along Germany's eastern frontier, near the Romanian oil fields that supply Germany. Hitler knows that Stalin cannot be trusted. He recalls how Stalin broke a non-aggression pact and pounced on Poland while the Poles were pre-occupied with Germany. Another non-aggression pact was broken when Stalin attacked Finland. Soviet invasions of the Baltic States, and eastern Romania offer still more proof that Stalin cannot be trusted.

Now, with Germany and Britain distracted, Stalin threatens all of Europe. Hitler had hoped to remove the Soviet threat in April, but invasion plans were delayed by Mussolini's misadventures in Africa and Greece. When “Operation Barbarossa” is launched, the Red Army is caught flat-footed and bunched up in offensive positions. Millions of Soviet troops are taken prisoner, and the devastating loss of weaponry and equipment leaves the Red Army neutralized. Up to 65% of all Soviet tanks, field guns, machine guns, and anti-tank guns are either destroyed or captured. The Germans rout the Reds all the way back to the gates.
CONTINUED /‘OPERATION BARBAROSSA’

of Moscow, liberating the cheering Ukrainian, Baltic, and even many Russian peoples along the way. It is only the onset of the brutal Russian winter that forces the Germans to pause their stunning offensive. The 2 month delay due to Mussolini’s folly in Greece saves Stalin’s regime from a total 1941 collapse.

"Already in 1940 it became increasingly clear from month to month that the plans of the men in the Kremlin were aimed at the domination, and thus the destruction, of all of Europe. I have already told the nation of the build-up of Soviet military power in the East during a period when Germany had only a few divisions in the provinces bordering Soviet Russia. Only a blind person could fail to see that a military build-up of world-historical dimensions was being carried out. And this was not in order to protect something that was being threatened, but rather to attack that which seemed incapable of defense..... I may say this today: If the wave of more than 20,000 tanks, hundreds of divisions, tens of thousands of artillery pieces, along with more than 10,000 airplanes, had not been kept from being set into motion against the Reich, all of Europe would have been lost."

- Adolf Hitler, 12-11-1941

The German offensive almost reaches Moscow. Stalin is forced to flee eastward.
With Stalin’s Evil Empire facing swift extinction at the hands of German forces, FDR moves quickly to rescue Stalin’s murderous regime. He unfreezes Soviet assets that had been frozen after Stalin’s attack on Finland in 1939, enabling the Soviets to immediately purchase 59 Fighter aircrafts. The “Arsenal of Democracy” is now, “The Arsenal of Communism.”

By 1945, the staggering amount of Lend-Lease deliveries to Stalin include 11,000 aircraft, 4,000 bombers, 400,000 trucks, 12,000 tanks and combat vehicles, 32,000 motorcycles, 13,000 locomotives and railway cars, 8,000 anti-aircraft cannons, 135,000 submachine guns, 300,000 tons of explosives, 40,000 field radios, 400 radar systems, 400,000 metal cutting machine tools, several million tons of food, steel, other metals, oil and gasoline, chemicals etc.

Without this ENORMOUS INFUSION of American aid, the Germans would easily have finished off Stalin after the Spring thaw of 1942.

Stalin calls upon Party, Soviet, & Trade Union organizations to form “partisan divisions and diversion groups to pursue and destroy the invaders in a merciless struggle”. In violation of commonly accepted rules of warfare, many Partisans neither wear uniforms, nor recognize international law. To grow the ranks of the Red Partisans, and prevent the Germans from winning over the civilian population, Soviet commandoes dress up in German uniforms and carry out “false-flag” atrocities against their own people, inciting hatred against the Germans.

Communist and Jewish Partisans, aided by the OSS (forerunner to CIA), also form in other nations, using the same false-flag tactics, and menacing the safety of German troops unable to tell enemy from civilian. Massive Jewish participation in non-uniformed Partisan groups, including women & children, is the main reason for Hitler’s decision to intern Europe’s Jews in work camps as a wartime security precaution.
Brave men from every nation in Europe (and some from Asia) volunteer to fight the Soviets. They are welcomed into Germany’s "Waffen SS" - an elite fighting force.

The anti-Communist Waffen SS are motivated by a vision of a greater European family. For the European SS, the Europe of jealousies, border disputes, and economic rivalries is petty. They fight for 'Europa' itself.

The Waffen SS is a true international army of the European peoples. One million men fight in the SS, of which, 600,000 are non-German! Officers of the Waffen serve in the front lines alongside their men. By war's end, half of the SS commanders will have been killed in action. During and after the brutal winter of 41-42, it is the Waffen SS who will stand their ground and delay the massive Soviet counter offensive. By the end of the war, 40% of the Waffen SS will have been killed or gone missing. Were it not for the tenacity and sacrifice of the heroic Waffen volunteers, all of Europe would have been lost to the Soviet hordes.

It is not surprising that to this day, the "SS" is still vilified in the Globalist press.

American patriots such as famed aviator Charles Lindbergh Jr. clearly see that FDR is plotting to involve America in the war. Lindbergh is a leading figure in the "America First" movement, or what Globalist propaganda cleverly refers to as "isolationism."

Lindbergh’s speech in Iowa accurately describes what is happening behind the scenes. He warns:

"the leaders of the British and the Jewish races, for reasons which are as understandable from their viewpoint as they are inadvisable from ours, for reasons which are not American, wish to involve us in the war."

Joseph Kennedy, the US Ambassador to England and Patriarch of the Kennedy Dynasty, also held this opinion.
In the closing months of 1941, FDR’s provocations of Japan escalate to the level of “acts of war”. FDR imposes a total trade embargo on Japan, denies her ships access to the neutral Panama Canal, and orders US battleships to undertake “pop up” cruises through Japanese territorial waters.

Finally, on November 26th of ’41, FDR sends an impossible ultimatum to Japan, implying a military threat, and demanding that Japan withdraw all of its troops from China and Indochina as a pre-condition for lifting the trade embargo.

The day before the hostile letter was sent, Secretary of War Henry Stimson (CFR) recorded, in his personal diary, the topic of a meeting with FDR as follows: “The question was how we should maneuver them (Japan) into the position of firing the first shot.”
CHAPTER 6

1941 -1945

WORLD WAR II (From U.S Entry to the Surrender of Japan)
While issuing the final provocations of Japan, FDR and his Military Chairman, *George Marshall*, also put out the actual bait for the Japanese fish to bite. The tasty bait that these two traitors are dangling is the heart of America’s Pacific fleet, deliberately left vulnerable at the naval base of Pearl Harbor, in the US territory of Hawaii.

By now, Japan *knows* that war with America is coming. The Japanese high command, in the hopes of gaining an early advantage, decides to strike as damaging a blow to the US Navy as possible. The US and the UK have each cracked Japan’s naval communication codes.

**FDR and Churchill both have advance knowledge of the impending “surprise attack”, but no warning is sent to the Commanders at Pearl Harbor.**

The Pearl Harbor attack kills 2402 US sailors, and ignites a firestorm of patriotic anger across America. The "isolationists" are silenced and the America First Committee disbands. FDR will finally have his war.

A Press frenzy and a wave of patriotic fervor follow the Pearl Harbor attack.
DECEMBER 8-11, 1941 /WAR DECLARATIONS EXCHANGED

The day after Pearl Harbor, Congress declare war on Japan. Even the “isolationists” cannot resist the war fever caused by what FDR calls “an unprovoked attack”.

Germany and Italy then fulfill their Tripartite Treaty obligation to Japan, by announcing that a state of war now exists between the Axis nations and the US (though neither country has any way nor intention of actually attacking the US mainland) Congress then follows with additional declarations upon Germany and Italy. Patriotic American men, oblivious as to how events were engineered by the New World Order, flock to volunteer for military service.

EXCERPTS OF HIROHITO'S WAR DECLARATION

"....We hereby declare war upon the United States of America and the British Empire. ...To ensure the stability of East Asia, and to contribute to world peace, is the farsighted policy which was formulated by our great illustrious Imperial Grandsire and Great Imperial Sire … To cultivate friendship among nations and to enjoy prosperity in common with all nations has always been the guiding principle of our Empire’s foreign policy.

It has truly been unavoidable and far from our wishes that our Empire has been brought to cross swords with America and Britain. More than four years have passed since China, failing to comprehend the true intentions of our Empire, and recklessly courting trouble, disturbed the peace of East Asia and compelled our Empire to take up arms. Although there has been reestablished the National Government of China, with which Japan had effected neighborly intercourse and cooperation, the regime which has survived in Chungking, relying upon American and British protection, still continues its fratricidal opposition.

Eager for the realization of their ambition to dominate the Orient, both America and Britain, giving support to the Chungking regime, have aggravated the disturbances in East Asia. Moreover these two powers, inducing other countries to follow suit, increased military preparations on all sides of our Empire to challenge us. They have obstructed by every means our peaceful commerce and finally resorted to a direct severance of economic relations, menacing greatly the existence of our Empire.

Patiently have we waited and long have we endured, in the hope that our Government might retrieve the situation in peace. But our adversaries, showing not the least spirit of conciliation, have unduly delayed a settlement; and in the meantime they have intensified the economic and political pressure to compel our Empire to submission. This trend of affairs would, if left unchecked, not only nullify our Empire’s efforts of many years for the sake of the stabilization of East Asia, but also endanger the very existence of our nation. The situation being as it is, our Empire, for its existence and self-defense has no other recourse but to appeal to arms, and to crush all obstacles in its path.

- December 8, 1941
The Manhattan Project is an effort, led by the US with participation from the UK, which will result in the first atomic bomb. The project grew out of the Einstein-Szilard letter to FDR in 1939. The effort had started out on a small scale later that year, and by war's end will eventually employ 130,000 people at 30 locations. Three 'secret cities' will house 100,000 workers, all of them sworn to secrecy, and most of whom are ignorant of "the big picture".

From the start, there are concerns about the Project's security. Physicist Gregory Breit, an important researcher, quits in 1942 because of concerns over lax security procedures. The Jewish Communist Physicist J. Robert Oppenheimer takes over Breit's research, and is then appointed to head the secret weapons lab at Los Alamos, New Mexico. Under his leadership, Soviet spies and Communist sympathizers infest the Project (Enrico Fermi, Klaus Fuchs etc).

As Oppenheimer "looks the other way", Red spies pass America's secrets into Stalin's hands. In 1954, Oppenheimer's security clearance will be revoked. But by that time, The Soviets have already stolen the A-bomb.

FDR's Executive Order 9066 condemns 110,000 Americans of Japanese ancestry to serve the rest of the war years in prison camps. Of those interned, 62% are actual American citizens.

Shortly thereafter, Executive Order 9095 freezes their assets. German-American and Italian-American families are also interned in camps, though in lesser numbers. Unlike Germany's wartime internment of Jews (who were generally hostile towards Germany), Partisans, thieving gypsies, and other assorted Reds; FDR's internments are of law abiding, peaceful, and patriotic citizens loyal to America. The internments are as unjustified as they are unnecessary.
**JUNE 4-7, 1942 / U.S. VICTORIOUS OVER JAPAN IN THE ‘BATTLE OF MIDWAY’**

The Battle of Midway is the most important naval battle of the Pacific Ocean campaign. The US Navy, under the command of Admiral Chester W. Nimitz, decisively defeats the Japanese, inflicting irreparable damage upon the Japanese fleet. After Midway, Japan’s Pacific defense perimeter of islands steadily shrinks as Japan cannot replace its lost ships and aircraft as fast as the US can. Though Midway marks a turning point, the US will sustain many more casualties as the Japanese tenaciously defend their Pacific perimeter for many months to come.

*Nearly Manchuria to Midway was Japan’s defense perimeter* 

**THE BATTLE OF STALINGRAD**

**JULY 1942 – FEBRUARY 1943**

The Battle of Stalingrad between the Germans and the Soviets was fought for control of the strategically vital Russian city that Stalin named after himself (today known as Volgograd). It goes down in history as the bloodiest battle ever, with *combined deaths of nearly 2 million*. The losses suffered by the Germans now make victory in Russia impossible.

After the initial German offensive manages to capture most of the city, the US Lend Lease-equipped Red Army wears the Germans down with bloody house-to-house fighting. The city’s civilian population fiercely resists the Germans as well. Stalin’s commandos had *dressed up in German uniforms* and committed atrocities against his own people. As intended, this “false flag” terror enflames the civilian population against the Germans.
America’s Globo-Zionist propaganda machine portrays Hitler and Hirohito as monsters and Stalin (an enemy of America!) as a “Hero”!

NOVEMBER 1942 / OPERATION TORCH / ALLIES BATTLE THE GERMANS IN NORTH AFRICA

A full year after US entry into the war, the Germans are finally confronted during Operation Torch, the US-UK invasion of French North Africa (Algeria, Tunisia, Morocco). It is facilitated by French Generals who switched loyalty from the nationalist Marshal Petain’s Vichy France, to the Globalist/Communist side of General Charles de Gaulle (self-exiled in England).

The politically appointed and grossly unqualified General Dwight D. Eisenhower ("Ike") is given command of the Allied force which sails from England. But it is the military genius of General George Patton that ultimately bails out the incompetent and envious Eisenhower. Patton’s Army successfully overcomes the German forces, led by General Erwin Rommel (The Desert Fox).

By May of ‘43, the Germans will have evacuated Northern Africa as they prepare to defend the "soft underbelly of Europe" in southern Italy.
Italy is vulnerable from North Africa / Allies land in Northern Africa.

JANUARY 1943 /CASABLANCA CONFERENCE / ALLIES: WAR WILL CONTINUE UNTIL UNCONDITIONAL SURRENDER!

Unconditional surrender means the Allies want the Axis nations to not only stop fighting, but to also hand over complete political control to invading Allied armies!

This brutal hard-line policy of complete conquest will inspire the Japanese and Germans to fight on harder and longer.

JANUARY – MAY 1943 /THE TIDE TURNS AGAINST GERMANY

The opening months of 1943 mark the turning point in the war. The combination of America’s awesome naval, air, and land power, a 3-front war, Jewish and Red Partisan guerilla war, merciless air bombardment of German civilians, and a massive Red Army armed to the teeth by America’s manufacturing power, all combine to take a heavy toll on Germany.

In February, German forces in Stalingrad surrender to the Soviets. In May, the campaign in North Africa ends as German troops evacuate. That same month, Admiral Donitz removes all German U-boats from the Atlantic after 41 subs are sunk in just 3 weeks! Germany is now limited to playing defense as the US, UK, and USSR slowly tighten the Globalist noose around Hitler’s Reich.
The Firebombing of Hamburg creates a tornado of fire so intense; it actually lifts people off of the streets and into the fire. Those who are not burned to death suffocate in shelters as the fire above sucks up all the oxygen.

Hundreds of US and UK aircraft feed the inferno with wave after wave of incendiary bombings. The evil planners of the genocide of Hamburg actually code named the arson attack “Operation Gomorrah”, after the Hebrew Bible story of the cities which God destroyed by fire and brimstone. (Sodom & Gomorrah)

Operation Gomorrah deploys 3,000 aircraft and 9,000 tons of bombs. It kills 40,000 people, with an equal number injured. One million traumatized Germans flee the city in which 250,000 homes were destroyed.

The Allied invasion of the southern Italian island of Sicily is another huge success for Generals Patton and Montgomery (UK). German and Italian resistance is overwhelmed. Within 4 weeks of the initial air and sea assault, Axis troops evacuate to the Italian mainland. Italian Leader Benito Mussolini is removed from power by his own Grand Council. The new government arrests him and makes peace with the Allies. This leaves Germany with the sole task of halting Patton’s push up the Italian peninsula. (In September, Mussolini is rescued by German commandos and reinstalled to rule over Northern Italy).

With Italy coming quickly under Allied control, Hitler worries that the Allies will now invade Yugoslavia and the Balkan nations, cut off Germany’s oil supply, and march north upon Germany from the “soft underbelly of Europe”. In August of 1943, the British Royal Air Force, departing from bases in southern Italy, begins heavy bombing of the Ploesti oil fields of German allied Romania.
1943 / GENERALS EISENHOWER & MARSHALL DELIBERATELY POSTPONE THE U.S. ADVANCE / PROLONG THE WAR TO HELP STALIN

With “the soft underbelly of Europe” now vulnerable, Churchill and British General Montgomery argue for an immediate Allied advance upon Germany from the south of Europe. This was Hitler’s greatest concern.

The oil fields of Romania fuel the German military. An Allied advance on the Balkans through Yugoslavia and Greece would be disastrous for Germany. From Italy and the Balkans, the Allies can then launch a final push upon Germany itself from the south and southeast.

Inexplicably, Allied Commander Dwight Eisenhower (‘Ike’) and Army Chief of Staff George Marshall (who had promoted Eisenhower over scores of senior officers) insist upon making preparations for an invasion of heavily fortified Northern France the following year.

This bizarre “blunder” prolongs the war, buys the Soviets much needed time to march westward, and eventually enables Stalin to steal Eastern Europe.

MAY 1944 / 4000 ITALIAN WOMEN ARE GANG RAPED BY FRENCH CONTROLLED NORTH AFRICANS AT MONTE CASSINO

In May ’44, the Allies finally succeed in taking Monte Cassino (in Central Italy) from German control, after bombing the town’s 6th century abbey into ruins. The Allies have French-Moroccan troops fighting for them. The Moroccans are allowed to run wild. They slit the throats of prisoners, loot homes, and rape every Italian woman they can get their hands on. The Moroccans even rape local boys and a Catholic Priest!

Two Italian sisters, ages 16 and 18, are gang raped by more than 200 Moroccans. One dies from the abuse, and the other will spend the rest of her life in a mental hospital. An estimated 3000 women aged 11-86 are raped, some so violently that 100 of them die. About 800 village men who try to protect them are also killed. The Moroccans are not be punished by their French Commanders. They will later rape and kill again when they occupy Germany.
Allied armies, based in England, successfully cross the English Channel. The cost is high as nearly 10,000 men are killed storming the fortified beaches of Normandy. But the invasion establishes an initial beachhead of 100,000 troops. From this base in northern France, the Allies will be reinforced for the push towards Germany. At the same time, the Soviet Red Army, armed to the teeth with state-of-the-art American weaponry, advances upon Germany from the east. With Italy also under Allied occupation, Germany has three fronts to defend (West, South, and East) as its cities, railways, dams, factories and civilian population endure relentless bombardment and Partisan sabotage.

In order to give Stalin more time to conquer Eastern Europe, Generals Eisenhower and Marshall repeatedly delay the advance of General Patton’s unstoppable 3rd army, going so far as to cut off shipments of gasoline to Patton’s army!

Under temporary, wartime German occupation (1940-1944), life in Northern France goes by peacefully for French civilians. The conduct of the German occupiers is impeccable. Many French women fall in love with German soldiers. But with the Normandy invasion (June 6, 1944), the peace and security of France is shattered into a million pieces. To support the cross channel invasion, and to then push the Germans eastward, the Allies unleash a ferocious aerial bombardment campaign. Entire towns are mercilessly carpet bombed. Cultural icons and works of art are destroyed, 65,000 French civilians are killed, 150,000 are injured, and at least 500,000 left homeless.

Incredibly, twice as many French civilians are bombed to death during only a few months, as the total amount of British civilians killed during the entire war! (Of course, these numbers pale in comparison to the 1,000,000 + German civilians who were killed by Allied bombings!) The horror doesn’t end with the bombardment either. The Allied occupation and subsequent economic collapse bring new nightmares for the women of France. Under Allied occupation, American troops rape 1000’s of French women, and turn many 1000's more hungry women into sex-for-food prostitutes. To appease the French population, the U.S. Army will eventually hang 130 of its rapist soldiers, a majority of them Black.

It will take years for these areas of France to recover from the tragedy. Such is the glorious "liberation" that Churchill, FDR, and the French traitor deGaulle have imposed upon France.
JULY 1944 / RED ARMY ROLLS BACK INTO POLAND / GERMANS ARE IN RETREAT

With their free arsenal supplemented by America’s finest tanks, Tommy-Guns, planes, trucks, jeeps, and even food and blankets, the Red Army advances on Germany from the east. Stalin’s plot to take all of Eastern Europe has been helped greatly by Ike’s and Marshall’s curious obsession with invading Europe from England, instead of simply advancing from Europe’s “soft underbelly”.

Stalin wants to crush Berlin. By July ’44, the murdering and raping Reds have rolled into Poland, threatening Germany’s eastern flank. Frightened German civilians begin fleeing westward by land and via the Baltic Sea.

JULY 1944 / BRETTON WOODS CONFERENCE ESTABLISHES THE WORLD BANK AND THE INTERNATIONAL MONETARY FUND

The chaos and crisis of World War II gives Globalism an opportunity to reshape the world’s monetary system into a “global economy”. At the Bretton Woods Conference in New Hampshire, 730 delegates from 44 nations set up new rules for commercial and financial relations. Representing the US is Harry Dexter White. White (originally Weiss) is the son of Jewish immigrants from the Russian Empire. Years after Bretton Woods, Dexter-White is revealed to be a Soviet spy.

The top British delegate is the legendary Fabian Socialist (secret Communist) abusive homosexual pedophile, John Maynard Keynes. Keynes suggests the creation of a World Currency, to be issued by a Global Central Bank. But the world is not ready for such a radical step towards The New World Order. Instead of a global currency, each nation will link its currency to the U.S. Dollar. Both the International Monetary Fund (IMF) and the World Bank, are conceived at Bretton Woods.
1944 - 1945 / TYPHUS EPIDEMICS DEVASTATE THE GERMAN INTERNMENT CAMPS

Typhus is spread by head lice, and has historically been linked to war and crowded conditions. **During and after the World War I, as many as 5 million Poles and Russians had died of the deadly disease.**

To stop the spread of typhus in the internment camps, the Germans shave the heads of the prisoners and/or delouse them in “gas chambers”. With the situation in Germany deteriorating fast, deadly typhus epidemics break out in Germany’s internment camps, especially in Poland. The Allied bombardment of railroads and medicine factories contributes greatly to this medical crisis.

**Despite Germany’s well-documented efforts to stop the typhus epidemic**, deaths in the concentration camps continue to mount throughout ‘44 & ‘45. After the war, Allied propaganda will falsely portray the typhus deaths as evidence of a deliberate extermination program aimed at the Jews.

AUGUST 1944 / THE VICHY GOVERNMENT OF FRANCE IS TOPPLED BY THE ALLIES / VENGEFUL GENERAL De GAULLE RETURNS AND MURDERS 40,000 OF HIS OWN PEOPLE

After the collapse of the Vichy French regime, General Charles de Gaulle returns from his English exile. The Globalist and Communist French then impose a new Reign of Terror. Cruel punishment is meted out against those labeled as “Nazi collaborators”, whose only crime was in making peace with Germany, or to have fought against the Soviets on the eastern front as foreign members of the German SS units.

The de Gaullist ‘liberals’ will murder as many as 40,000, and imprison 100,000 of their countrymen. French women who dated German soldiers during the occupation are humiliated by having their heads shaved bald.

Marshal Petain escapes to Germany. After the war, he will be sentenced to death for “treason”, but due to his age (88) and hero status from WW1, de Gaulle has no choice but to reduce Petain's sentence to life in prison.
As the raping and murdered Soviets push eastward, millions of terrified German refugees flee west by land and sea. The luxury liner *MV Wilhelm Gustloff* is packed shoulder-to-shoulder with an estimated 10,000 - 12,000 people - 10 times as many as the Titanic! Soon after leaving port, the doomed ship is sighted by Soviet Submarine commander Alexander Marinesko. Having stalked his human prey for several hours, the Soviet killer then fires three torpedoes into the ship’s port side. In the panic that follows, many passengers are trampled to death as they flee to the decks. The *Wilhelm Gustloff* sinks in just 45 minutes. German ships arrive quickly and pluck about 1000 survivors from the frigid Baltic Sea. The freezing water claims the lives of all the rest.

The most historic of the “Big 3” conferences is held in the Black Sea resort of Yalta. At the *Yalta Conference*, FDR & Churchill (but especially FDR) make easy concessions to the mass murdering Communist “Uncle Joe”.

With Red spies Alger Hiss (CFR) and Harry Hopkins (CFR) influencing the dying Roosevelt (who dies in April), it is decided that after Germany’s defeat:

- The Soviets will occupy Eastern Europe until free elections can be held.
- The Soviets will join the war against Japan and be supplied with U.S. arms for the effort.
- After Japan is defeated, the Soviets will occupy northern Korea (*without Korea’s approval*!), and Manchuria in China (*without China’s approval*)
- Millions of Russian POWs captured by the Germans, as well as Russian refugees fleeing Stalin, will be forcefully returned to Stalin.
- Germany will be split in half as will the Capital of Berlin.
By February of 45, the outcome of the war in Europe is already clear. Germany is finished and will formally surrender in 3 months. The murderous firebombing of the beautiful city of Dresden is as cruel as it is unnecessary. In an apparent effort to mock Catholic Germans, the Zio-Globalists chose the day of "Ash Wednesday" to turn Dresden into ashes!

For 2 straight days, wave upon wave of Allied air sorties drop incendiary bombs upon a defenseless population. Thousands of fires merge into one huge firestorm, sucking oxygen to feed itself as countless numbers of German elderly, women, and children suffocate or burn alive.

The fire is so massive that pilots report that their cockpits are actually illuminated by the great flame. Because so many refugees fleeing eastward have swelled Dresden’s population, it is difficult to say how many are killed by the Churchill/FDR “Holocaust”. Credible estimates vary between 200 -300,000 dead, and possibly as many 400,000! Survivors are later strafed with machine gun fire from low flying American & British fighter planes.

Though it will later be overshadowed by the subsequent atomic bombs dropped on Hiroshima and Nagasaki, the Firebombing of Tokyo is just as deadly in its initial death toll. The terror bombing involves the same incendiary type explosives dropped on Dresden one month earlier, and yields similar horrific results.

The charred bodies of 100,000 dead Japanese litter the streets, and 250,000 buildings and homes are destroyed. One million more are injured, and a million more are left homeless.
The polio-stricken FDR will not live to see the end of the bloody war that he helped unleash upon the world. FDR intends to take a few weeks rest before his anticipated appearance at the founding conference of the United Nations in San Francisco.

On the afternoon of April 12, Roosevelt says, "I have a terrific pain in the back of my head." He slumps forward in his chair, unconscious, and is carried into his bedroom. Like Wilson in 1919, FDR has had a massive stroke and dies soon afterwards. FDR's lasting legacy for America is the class warfare induced welfare state, and the brutal foreign warfare state, that are still bankrupting the United States and killing innocents.

Naturally, after his death The New York Times declares, "Men will thank God on their knees a hundred years from now that Franklin D. Roosevelt was in the White House". Vice President Harry Truman becomes President. He is a corrupt, dim-witted political hack and failed businessman. FDR's Jewish and Red inner circle will continue to run the show, while the ill-tempered little man from Missouri delivers the speeches. Nothing will change.

British General Bernard Montgomery argues that there is now nothing to stop the Allies from sweeping into Berlin, thus taking the German Capital before the advancing Soviet army can get there. Eisenhower however has other ideas. As he had done time and time again, "Ike" would find a way to delay the Allied advance so as to buy time for Stalin to advance from the east.

On March 28, '45, Ike sends a message to Stalin, assuring him that the US/UK advance will focus on western Germany. On April 15, Ike issues a halt order forbidding Allied commanders from crossing the Elbe River.

Generals Montgomery and Patton are deeply upset over the sudden order to halt the advance, thus condemning Berlin, and all of Eastern Europe, to Soviet barbarism.
**APRIL 16, 1945 / SOVIET SUB SINKS THE GOYA / 7,000 MORE GERMAN REFUGEES KILLED AT SEA!**

The *Goya* is a German transport ship carrying 7000 wounded soldiers and terrified refugees westward. The Red Terror will follow these poor souls to sea. Soviet Captain Vladimir Konovalov spots the *Goya* and orders it to be blasted by torpedoes. The *Goya* sinks very quickly, plunging its passengers into the icy Baltic Sea. Less than 200 will survive. **The final death toll is about the equivalent of 7 Titanics!**

For this murderous war crime, Captain Konovalov is awarded the Soviet Union's highest military decoration, Hero of the Soviet Union.

**APRIL 28, 1945 / ITALIAN COMMUNIST PARTISANS KILL MUSSOLINI / HIS BODY IS PUBLICLY HUNG UPSIDE DOWN**

With total defeat looming in Europe, Mussolini attempts to escape to neutral Switzerland. He is captured and summarily executed near Lake Como by Italian Partisans (Communists).

Mussolini's body is then taken to the city of Milan, where it is hung upside down for public viewing and to also to provide confirmation of his death.

Mussolini's 1922 takeover of Italy (**The March on Rome**) had likely saved Italy from Communism. There were many positive economic and social developments during his rule.

But in the end, "il Duce" and his imperialistic ego put Italy and Germany in very difficult situations. His reckless adventures in Africa & Greece made Italy a huge burden for Germany to carry and defend. Moreover, French & Arab disdain for Mussolini's actions ruined Hitler's chances to bring France and the Arabs into an anti-British alliance.
APRIL 30, 1945 / HITLER ISSUES HIS FINAL TESTAMENT / COMMITS SUICIDE IN HIS BERLIN BUNKER

With the situation in Berlin hopeless, Hitler marries his longtime mistress Eva Braun. The two then commit suicide, Eva by poison, Hitler by gunshot. Hitler's dog Blondie is poisoned. The staff is under orders to burn the bodies and to escape Berlin before the Soviets can capture them.

One day before committing suicide, Hitler dictates his final Political Testament, in which he denies any responsibility for starting the war:

“It is untrue that I or anyone else in Germany wanted war in 1939. It was wanted and provoked solely by international statesmen either of Jewish origin or working for Jewish interests...

Nor have I ever wished that, after the appalling First World War, there would ever be a second against either England or America. Centuries will go by, but from the ruins of our towns and monuments the hatred of those ultimately responsible will always grow anew against the people whom we have to thank for all this: international Jewry and its henchmen.”

MAY 8, 1945 / V–E DAY / VICTORY IN EUROPE PROCLAIMED AS GERMANY SURRENDERS WITHOUT CONDITIONS

Jubilant crowds throughout Britain and the U.S. celebrate Victory in Europe Day upon news that Germany has surrendered unconditionally. Admiral Karl Donitz, named in Hitler's final testament as the new President of Germany, signs the surrender agreement.

He soberly remarks, “With this signature, the German people and armed forces are for better or for worse, delivered into the victor's hands.”

But there is to be no mercy for the German people, which had dared to defy the New World Order, and, for a while, had actually defeated the Globalists! Germany's nightmares are about to unfold as a vengeful Globalist-Communist-Zionist Alliance-of-Evil imposes a collective punishment upon Germany that will dwarf the Versailles Treaty. At least ten MILLION Germans died during, and after World War II!
MAY 8, 1945 / HOURS AFTER GERMAN SURRENDER, SOVIETS PUBLISH REPORT OF ‘GAS CHAMBERS’ USED TO KILL JEWS

The story tells of mass killing and “gassings” at the Auschwitz prison camp in Poland. The timing of the report’s release – just hours after of Germany’s surrender – makes it impossible for the falsely accused Germans to refute Stalin’s claim. It is a little known fact of history that the Auschwitz “gas chamber” story originated with a Soviet report (authorized by the known liars and murderers Joe Stalin & Lazar Kaganovich) which was then spread by the “prestigious” NY Times.

Noted American and European scholars who have since dared to explore the many inconsistencies and contradictions of “The Holocaust” story have been subjected to harassment, career destruction and (in Europe & Canada) imprisonment. The Holocaust is one story that the Globalists and Zionists will NEVER allow to even be debated! Adolf Hitler nearly smashed the New World Order. It is for this reason that he must forever be portrayed in the public mind as the most evil and wretched monster who ever lived.

JUNE 26, 1945 / THE FOUNDING CHARTER FOR THE UNITED NATIONS IS SIGNED IN SAN FRANCISCO

At the founding San Francisco Conference that established the United Nations, the U.S. official serving as Secretary is the Communist Alger Hiss. Hiss will be exposed as a Soviet spy in 1948. The UN replaces the League of Nations as the foundation of The New World Order. All 51 nations signing the original charter agree to be bound by its articles.

The all-out propaganda campaign surrounding the UN’s establishment is pervasive and intense. It is argued that “isolationist” America’s refusal to join the League of Nations after World War I was the tragic mistake that led to World War II. That mistake “must not be repeated”.

Within 30 days, the US Senate will approve the UN Treaty by a vote of 89-2! Even the conservative legend, Senator Robert Taft (son of President Wiliam Howard Taft) votes in favor of U.S. entry! The embryonic World Government will be headquartered in New York, on 18 acres of prime real estate donated by the Rockefeller Family.
Like FDR before him, President Harry Truman also has no regard for human life. By August ‘45, Japan is trying hard to negotiate surrender, just not unconditionally, as Truman demands. Atomic bombs are then dropped on the women, elderly, and children of Hiroshima (Aug 6) and Nagasaki (Aug 10).

Within the first few months of the bombings, the effects kill 100-150,000 people in Hiroshima and 60–80,000 in Nagasaki. Half of the deaths occur on the first day, mostly from burns. Many more die of cancer later on.

Two days after Hiroshima, (Aug 8) and two days before Nagasaki, Stalin “lives up to” his Yalta promise and declares war on Japan. For this non-contribution, Stalin is given control of Manchuria (in China) and the northern part of Korea. The Soviets accept the surrender of 180,000 Japanese troops at Manchuria, and will turn their captured arms over to Mao’s Communist rebels in China.

More images of what is today known as “The Good War”

Death! Abandonment! Disfigurement!..... What was so ‘good’ about this?
Facing what Truman calls “a Rain of Ruin”, Japan, like Germany before her, has to make a choice between unrestrained civilian genocide at Allied hands, or unconditional surrender and occupation. Japan surrenders on August 15, ‘45. (V-J Day) It should be noted that General Macarthur felt that the atomic bombing was unnecessary, Macarthur later states, "My staff was unanimous in believing that Japan was on the point of collapse and surrender."

But for the Globalists, the atomic bombings serve a strategic purpose. The threat of “nuclear war” will, in the coming years, do much to frighten, and then consolidate, the nations of the world into political, economic, and military alliances. The Global fear of “the Bomb” will be very useful for The New World Order!

CHAPTER 7

1945 - 1950

THE HORRIBLE AFTERMATH OF WORLD WAR II
"The striking aspect of the visit was the lavish reception the Russians gave the commander of a foreign nation’s army. Georgi Zhukov, General Eisenhower’s Soviet counterpart in Berlin, met us at Tempelhof Airport for the flight to Moscow in Ike’s C-54 four-engine aircraft. Zhukov, as the official host, was the soul of hospitality and congeniality. By this time the two commanders...had become friends, as close of friends as public life permits.

In Moscow the party first attended a parade. Significantly, my father was invited to undergo a four-hour ordeal atop Vladimir Lenin’s tomb with Zhukov and Stalin. He was, I later learned, the first foreigner ever accorded that honor. One evening, the entire party was entertained at dinner, with Stalin himself officiating."  - John S. D. Eisenhower (son and aide of Ike)

Ike wasn’t the only one who loved Zhukov. Time once ran a puff piece on the bloody Red Army Chief.

**FINAL DEATH COUNT OF WORLD WAR II**

TOTAL KILLED: 40,000,000 +

AMERICANS KILLED: 420,000 /

U.S. POW’s kidnapped by Stalin: *25,000

*Liberated from German POW camps in the east, then shipped to Siberian slave labor camps (Gulags), then abandoned by US Government.*
World War II in Europe may have officially ended in 1945, but the period of anarchy and civil war that follows will last for 5 more years. Across Europe, landscapes are ravaged, entire cities ruined, and millions of people are homeless. Institutions such as the police, the media, transport, local and national government are either gone or badly weakened. Crime rates soar, economies collapse, and hungry women and girls turn to prostitution as the European population hovers on the brink of starvation.

Communists, liberals and Jews impose a cruel vengeance upon their helpless prey. German civilians and their anti-Communist allies everywhere are rounded up, raped, sodomized, drowned in cesspools, tortured, mutilated, burned alive, and executed.

Internment camps are reopened and filled with anti-Communists and Germans. After being starved to death, photos of the prisoners are then passed off as victims of Hitler’s "Holocaust". Massacres and civil wars follow in Greece, Yugoslavia, Poland, and parts of Italy and France. In the greatest acts of ethnic cleansing the world has ever seen, tens of millions are expelled from their ancestral homelands as Allied occupiers look the other way. The 2012 book 'Savage Continent', by Keith Lowe, documents the horror in gruesome detail.

As the Red Army rolled into Germany, Stalin encourages his men to rape German women. His Jewish chief propagandist, Ilya Ehrenberg, writes leaflets exhorting soldiers to kill and rape:

"Kill! Kill! In the German race there is evil; not one among the living, not one among the unborn is but evil! Follow the precepts of Stalin. Stamp out the fascist beast once and for all in its lair! Use force and break the racial pride of the German women. Take them as your lawful booty. Kill! As you storm onward, kill, you gallant soldiers of the Red Army."

The orgy of violence and rape is one of the ghastliest episodes in human history. Two million German females ranging in age from 8-80 will be gang raped and sodomized, often in view of their children. The most notable offenders are the Jewish NKVD rear guard troops, and the Mongoloid troops from the Asian Republics of the USSR. Even the terrified women who had fled to churches and hospitals were hunted down and gang raped. Nuns, little girls, and elderly women are infected with venereal diseases. Rather than submit to the torturer, thousands of German women commit suicide.

Eisenhower, Truman, and the Zionist Press are fully aware of the monstrous horror that the man they all refer to as ‘Uncle Joe’ is inflicting upon these poor women.
‘UNCLE JOE’s HANDIWORK – Ignored by the sanctimonious hypocrites of ‘the world community”

German girl raped and murdered by our Soviet "allies".

German women were snatched from the streets and gang raped.

The Jewish dominated NKVD would gather women up by the truck load, rape them, and then shoot them.

1945 – 46 / IKE MURDERS 1.7 MILLION GERMAN PRISONERS!

More than one year after the German surrender, General Eisenhower still holds millions of German Prisoners-of-War. The men are inhumanely crowded into camps without latrines, exposed to the elements and underfed. Germans dig holes for shelter and even take to eating grass!

American guards who attempt to help the prisoners face severe disciplinary action. German civilians try to bring food and blankets to the men but are shot at by guards. Eisenhower issues an order stating that Red Cross officials are not to be given access to the camps. As disease, exposure, and hunger take their toll, the German losses mount daily. By the end of their cruel incarceration, as many as 1.7 million German prisoners will have died a slow and torturous death.

Millions of Germans were packed tightly in Ike’s death camps. Disease and hunger killed them slowly.
1945 – 49 / 10 MILLION GERMANS EXPELLED FROM HOMES / 2 MILLION DIE / MASSIVE BRAINWASH CAMPAIGN ENSUES!

After the war, the area of Germany historically known as Prussia ceases to exist. It is mostly transferred to Soviet occupied Poland and to the Soviet Union itself. **Seven million Germans are expelled from their homes and forced to migrate west.** Still more German territory is given to Soviet occupied Czechoslovakia, with 3 million more Germans expelled.

The refugees are often attacked and raped by the Red Army as well as Jewish and Communist gangs. Two million will die during the forced migrations, and about 500,000 more are interned in Soviet labor camps. **Displaced Jews are given preference in seizing and occupying the stolen homes of German refugees.**

As part of a psychological re-programming effort known as “De-Nazification”, the German people are deliberately subjected to hunger, mental trauma, and homelessness. Starving German women sell their bodies to American soldiers in exchange for a few cans of food.

DECEMBER 21, 1945 / ANTI-RED, ANTI-ZIONIST GENERAL GEORGE PATTON IS ASSASSINATED (‘Auto Accident’)

General Eisenhower needed General Patton in order to win the war. But the outspoken Patton often bucked Ike, complaining loudly about his halt orders (which stopped Patton from liberating Eastern Europe before the Soviets could get there) and ignoring Ike’s orders to continue holding German prisoners after the war.

Patton urges his superiors to allow his army to evict the weakened Soviets from Europe. He complains about the cruel extermination of the German people, the Red Army rapes, and *(in letters to his wife)* tells of Jewish Communist efforts to advance Soviet influence. Patton’s “insubordination” causes Ike to remove him from command. In one of those letters, Patton reveals that upon leaving the Army and resettling in America, he will openly fight the treason he is seeing.

**He never gets the chance.** Patton is hospitalized following a strange, low impact auto accident near Mannheim, Germany. The American icon dies in the hospital two weeks later, apparently the victim of an assassination order, issued by Ike or higher.
Stalin brands Russian POW’s captured by Germany, and Russian refugees who fled west, as traitors. At Yalta, FDR and Churchill had agreed that “traitors” should be sent back to Stalin in exchange for US/UK POW’s “liberated” by the Soviets. General Eisenhower eagerly carries out this atrocity; which was mockingly code named: “Operation Keelhaul” (after an old naval punishment that involved tying a rope around a sailor and then dragging him under the hull of a ship)!

Up to 3 million terrified Russian POWs are forced at gunpoint onto trains and trucks that bring them to their Soviet executioners. Many commit suicide. US troops, upon returning from the drop-off points, later report seeing rows of bodies already hanging from the trees.

In separate operations, refugee families deemed to be anti-Communist (such as Cossacks) are also shipped back to “Uncle Joe”, and subjected to special tortures, including rape of the women. As a final insult from our “ally”, Stalin holds on to 25,000 American POW’s and 30,000 British, sending them to his Siberian Gulags. **Ike, Churchill, and Truman say nothing!**

Red Army Chief Zhukov to Ike: “Good job Comrade” For delivering the nations of Eastern Europe, and millions of terrified Russian refugees to their death, Ike earned a Soviet Medal.
MARCH 5, 1946 / CHURCHILL DECLARES THAT AN ‘IRON CURTAIN’ HAS FALLEN OVER EUROPE

By 1946, it is clear that Stalin has no intention of allowing the occupied nations of Eastern Europe to be free. Now the ex-Prime Minister of Great Britain, Winston Churchill, who helped engineer this disaster, delivers his famous “Iron Curtain” speech in Fulton, Missouri:

“an iron curtain has descended across the Continent. Behind that line lie all the capitals of the ancient states of Central and Eastern Europe. Warsaw, Berlin, Prague, Vienna, Budapest, Belgrade, Bucharest and Sofia; all these famous cities and the populations around them lie in what I must call the Soviet sphere.”

Over the coming months and years, these nations, which had been given to Stalin at Yalta, will fall, one-by-one, to Soviet backed Communist Parties in each nation. The usual Red terror and torture soon follows in each. General Patton had been right after all!

JULY 22, 1946 / ZIONIST TERRORISTS BLOW UP THE KING DAVID HOTEL IN JERUSALEM

With Britain weakened and in debt from the war, the opportunistic Zionists escalate their attacks against the British protectors of Palestine. It was the Brits who had stolen Palestine for the Zionists’ sake, but now Britain is to be betrayed and chased out of Palestine. The bombing of the King David Hotel targets the offices of the British Military. The Irgun terror gang, headed by future Israeli Prime Minister & Nobel Peace Prize winner Menachem Begin, is responsible.

Ninety-one people die, mostly civilians. Ex-Prime Minister Churchill, a career Zionist puppet, issues an obligatory condemnation of the attack, and then suggests allowing even more Jewish immigration to Palestine as a solution!
OCTOBER, 1946 / NUREMBERG MILITARY TRIBUNALS
SENTENCE GERMAN LEADERS TO DEATH

During the 1943 Tehran Conference, Joe Stalin had proposed executing 50,000 German staff officers after the war. FDR joked that 49,000 would do! The murderous Allies were all in agreement that "trials" of Germany's top leaders would take place after the war.

When the show trials begin in 1945, an 8-panel tribunal (The Nuremberg Trials) is seated (2 judges each from the US, UK, USSR, & France.) The primary American judge is Francis Biddle, of the Biddle Family that spawned the 19th century American Central Bank Chairman, Nicholas Biddle.

Honorable German leaders are condemned as "war criminals" by governments that carried out the Dresden fire-bombing, the sinkings of the Wilhelm Gustloff & the Goya, the forced return of Russian refugees & POWs, the starvation murders of 1.7 million German POWs, the murders at Katyn Forest, the mass raping of German women, and the dropping of atom bombs! Of the accused, 11 will hang, and 7 (including the peacemaking parachuteer Rudolf Hess) will receive long, or life prison terms. Herman Goering, Head of the Luftwaffe (German Air Force) cheats his executioners by taking poison in his jail cell. It is likely that a sympathetic American guard helped Goering by smuggling the poison into his cell.

JUNE, 1947 / GLOBALIST ‘MARSHALL PLAN’ IS PROPOSED

The Marshall Plan is a massive US Foreign Aid scheme for post-war Western Europe. The Globalists use every propaganda trick in the book to cleverly sell the expensive scheme to the anti-Communist US Senate, and to a gullible American public.

The Marshall Scam is hard-sold as an "economic recovery program" needed to prevent nations from "falling to Communism". The CFR-devised scheme is named after, and announced by, recently named Secretary of State, General George Marshall - the "war hero."

The "poison pill" of the Marshall Scam is the sub-group that it creates in order to administer the economic aid package: The Organization for European Economic Co-operation.

The OEEC consists of 18 nations. It is the “embryo” for the coming European Common Market as well as today’s socialist, single currency European Union.
Out of the aftermath of World War comes the Korean War, the Viet Nam War, the wars and ongoing problems in the Middle East, the financial schemes of IMF and the World Bank, the framework of the tyrannical European Union, and so many other problems of the modern day. World War II - ‘The Good War’ as modern day propagandists refer to it - is the gift that keeps on giving…..giving us problems that is! This tragedy, and its aftermath, haunt humanity to this day, and will continue to well into the foreseeable future.

The Bad War was a complete disaster for the forces of civilization, stability, culture, and independent nationalism. But it was a total triumph for the overlapping dark forces of Globalism, debt based ‘Crony Capitalism’, World Communism, and Zionism.
